Dance Magazine ,1966 *Sleeping Beauty (Masterpiece Collection) Original Illustrations* C S Evans,2013-11 Every day the King would look at the Queen and say Ah if we only had a little child and the Queen would look at the King and sigh and they were both very miserable about it Then they would put on their golden crowns and sit side by side on their thrones while lords and ladies and ambassadors from other lands came to pay them homage and they had to smile with their lips for the sake of politeness but there was no joy in their hearts And that is one of the greatest disadvantages of being a King or a Queen that one has always to hide one s feelings Now it happened one day that the Queen went to her bath and having dismissed her ladies she descended the marble steps into the water and began idly to play with some wild rose petals which had fallen into the water All of a sudden she heard a croaking voice that said O Queen be cheerful for the dearest wish of your heart will be granted you **Disney Collector Edition Sleeping Beauty** Parragon Book Service Limited,2008-09
