1950s America where he worked as a butler and factory worker and served in a US Army intelligence unit during Senator Joe McCarthy's witch hunting years. Hired by Newsweek after graduating from journalism school, Kubic covered the White House during the last year of Dwight D. Eisenhower's presidency, the US Senate run by Lyndon Johnson, and the campaign that elected President John F. Kennedy. Kubic spent twenty-six years reporting from abroad, including South America, the Indian subcontinent, and Eastern and Western Europe. In *From Prague to Jerusalem*, readers will meet the principal Israeli participants in the Irangate affair, accompany Kubic on his South American tour with Bobby Kennedy, take part in his jungle encounter with the king of Belgium, witness the inglorious end of Timothy Leary's flight to the Middle East, and observe the debunking of Hitler's bogus diaries.
