struggle for redemption The need to purchase some saddle horses to assist in driving his Black Angus cattle up to the government range pastures for summer grazing was the primary impetus for the meeting with the female debutante as the rancher desperately needed saddle horses One lonely night sleeping alone in the comfort of her bed she was abruptly awakened by a mysterious intruder who snuck into the bedroom and repeatedly raped her and subsequently disappeared in the darkness without leaving a trace of evidence behind him As a result she knew she ought to report the incident to the police and then run quickly off to the local hospital for a medical examination Investigators would ultimately have to interview all the possible male suspects who work or reside on both her husband s and her father s ranch during the last year Regardless the police would be waiting patiently to receive the DNA results before determining whether the alleged assault was perpetrated as a forcible rape or whether it was an amorous rendezvous for two consenting conspirators who planned organized and flawlessly executed a clandestine tryst while the husband was away at a convention **Jersey Bulletin and Dairy Word** ,1917
