Surrender To Marriage:

Surrender to Marriage Sandra Field, 2004 Surrendering to Marriage Iris Krasnow, 2001-05-16 In *Surrendering to Marriage* Krasnow offers a raw and penetrating portrait of modern marriage and the backbreaking work required to make it last. With funny, sexy, shocking stories of real marriages, real affairs, and real divorces, *Surrendering to Marriage* moves far beyond a how-to manual on twenty-five ways to make your marriage hot again. Krasnow has written a how-to book on surrendering to the reality that even the best of marriages cause as much misery as happiness. The Marriage Surrender Michelle Reid, 2003 Surrender All Joni Lamb, 2008-09-16 The author draws upon her own experiences as a wife, mother, and television personality to offer advice on surrendering problems and difficult situations to God and finding personal peace, health, and purpose in life. **Inside the Gender Jihad** Amina Wadud, 2013-10-01 A world-renowned professor of Islamic studies, Amina Wadud has long been at the forefront of what she calls the gender jihad: the struggle for justice for women within the global Islamic community. In 2005, she made international headlines when she helped to promote new traditions by leading the Muslim Friday prayer in New York City, provoking a firestorm of media controversy and kindling charges of blasphemy among conservative Muslims worldwide. In this provocative book, *Inside the Gender Jihad*, Wadud brings a wealth of experience from the trenches of the jihad to make a passionate argument for gender inclusiveness in the Muslim world. Knitting together scrupulous scholarship with lessons drawn from her own experiences as a woman, she explores the array of issues facing Muslim women today, including social status, education, sexuality, and leadership. A major contribution to the debate on women and Islam, Amina Wadud's vision for changing the status of women within Islam is both revolutionary and urgent. **Less Than Nothing** Slavoj Žižek, 2012-05-22 A thousand-page resurrection of Hegel from the bestselling philosopher and critic who has been hailed as one of the world's best-known public intellectuals. *New York Review of Books*. For the last two centuries, Western philosophy has developed in the shadow of Hegel; an influence each new thinker struggles to escape. As a consequence, Hegel's absolute idealism has become the bogeyman of philosophy, obscuring the fact that he is the defining philosopher of the historical transition to modernity, a period with which our own times share startling similarities. Today, as global capitalism comes apart at the seams, we are entering a new period of transition. In *Less Than Nothing*, the product of a career-long focus on the part of its author, Slavoj Žižek argues it is imperative we not simply return to Hegel but that we repeat and exceed his triumphs, overcoming his limitations by being even more Hegelian than the master himself. Such an approach not only enables Žižek to diagnose our present condition but also to engage in a critical dialogue with key strands of contemporary thought: Heidegger, Badiou, speculative realism, quantum physics, and cognitive sciences. Modernity will begin and end with Hegel. **The Women's Khutbah Book** Sa'diyya Shaikh, Fatima Seedat, 2022-10-13 A first-ever collection of contemporary Muslim women's khutbahs (sermons) drawing on their social, religious, and spiritual experiences and framed by original reflections on an emerging Muslim feminist ethics. Within the Muslim world, there is a

dynamic and exciting social change afoot a number of communities across the globe have embraced more gender inclusive and representative ideas of religious authority Within some spaces women have taken on the role of preacher at the Jumma Friday communal prayers In other communities women have been leading the prayers officiating at marriage and funeral ceremonies or participating on mosque boards or executive committees These new developments signify a transformation in contemporary positions on gender and religious authority This pioneering book makes an innovative contribution to Muslim feminist ethics It is grounded in a collection of religious sermons khutbahs by contemporary Muslim women in a variety of new and emerging contexts in South Africa Senegal Egypt Malaysia Pakistan Indonesia Canada Mexico the United States Germany Denmark and the United Kingdom
