Steffey, 2016-02-15 Courage to Surrender is an engaging story of hope that will captivate anyone interested in finding a compassionate community of Jesus's disciples It is a story of how nine American teenagers from Pittsburgh Pennsylvania came to discover how to be the church not the church of twentieth century in America but a hopeful future resurrected church for the twenty first century It is a church fellowship where people love one another with the extravagant love and grace of God one in which a love for those in need flows out of their relationships with one another It is a story of transformation not only of individuals but of a diverse fellowship of believers In it you will find pain and healing questions and answers struggles masks removed radically change lives some humor and a lot of hope It is written for young adults seeking meaning and purpose in life and for mature Christians frustrated with the fragmentation of the church and its preoccupation with rules programs buildings and control Nearly every chapter has its surprises On first reading it is simply a fascinating tale but on another level it addresses the disparities in the world and the search for significance within us all Readers will be encouraged and challenged **The Missionary Herald** ,1889 Vols for 1828 1934 contain the Proceedings at large of the American Board of Commissioners for Foreign Missions
