also been falsely committed and drugged to keep her from revealing something that she saw all those years ago Amidst the turmoil and the disaster relief it s up to Joe Gunther and his team to learn what really happened with the two corpses one missing and what secret The Governor might have still locked in her brain that links them all *Presumption of Guilt* Archer Mayor,2016-09-27 A forty year old skeleton is found encased in a concrete slab at a recently decommissioned nuclear energy site It becomes a case for the Vermont Bureau of Investigation VBI and its leader Joe Gunther since they have the resources and the ability to investigate an old very cold missing persons case that has now been reclassified as murder The victim was Hank Mitchell and Gunther must chase down old rumors and speculations who benefited from his death and the disappearance of his body And was his death somehow tied to New York City mafia money being laundered through the construction project But what seems the coldest of cold cases roars back to life when one of the central figures in this mystery is shot to death right after speaking with Gunther And when a young police officer the son of VBI investigator Lester Spinney is kidnapped is that meant to be a warning to the VBI team to drop the case After all these many years the truth behind the murder still has to the power to kill and it s up to Gunther and his team to capture the living and finally put the dead to rest **The Second Mouse** Archer Mayor,2006-09-04 Thirty one year old Victorian gentlewoman Amelia Peabody has not only inherited her father s fortune but she is also blessed with his strong will as well Now she s headed for Cairo accompanied by a girl with a tarnished past to indulge her passion for Egyptology Little did she know that murder and a homicidal mummy lay in wait for her **The Company She Kept** Archer Mayor,2015-09-29 During the height of a harsh Vermont winter the body of a woman is found hanging from the steel mesh retaining net lining the cliffs along the interstate She was brutally murdered with the word dyke carved into her chest She was also a state senator and best friend and ally of the current governor Gail Zigman At Zigman s personal request Joe Gunther and his Vermont Bureau of Investigation team agree to help the Vermont State Police in their investigation before the victim s high profile and powerful friends create the inevitable publicity maelstrom Raffner was indeed a lesbian and the word carved into her chest might be evidence of a hate crime or it might be a feint designed to confuse and mislead investigators But the question remains what was she involved with who wanted her dead and what company was she keeping What Gunther and his team discover during their initial investigation isn t the stuff of a simple murder Someone killed a prominent figure and fabricated an elaborate scene for a purpose And this might only be the beginning in Archer Mayor s *The Company She Kept*

why Kalfus is murdered soon faces another problem Within the pile of stolen cell phones found in the car is evidence of a notorious unsolved child abduction case from years earlier Now the seemingly simple case has become more complicated and deadly leading Gunther s team to be pulled from the New Hampshire coast to near the Canadian border as they attempt to find and capture the psychopath responsible for a tangled historical web of misery betrayal and loss **Proof Positive**

Archer Mayor,2014-09-30 Ben Kendall was a troubled man Coming back from Vietnam with PTSD and scars that no one else could see he hid away from the world filling his house with an ever increasing amount of stuff until finally the piles collapsed and he was found dead crushed beneath his own belongings But what at first glance looks to be a tragic accidental death of a hoarder may be something much more and much deadlier Ben s cousin medical examiner Beverly Hillstrom unsettled by the circumstances of his death alerts Joe Gunther and his Vermont Bureau of Investigation team Ben it seems brought back something else from Vietnam than personal demons he also brought back combat photos and negatives that someone else wants desperately to keep from the public eye When Beverly s daughter Rachel made her cousin Ben and his photos the subject of her college art project some of those photos appeared on the walls of a local art gallery This in turn resulted in the appearance of a two man hit squad searching for some other missing negatives With Joe Gunther and his squad trailing behind the grisly research results of the hit team and the deadly killers closing in on Rachel Gunther has little time to find and protect Rachel before she ends up in the same grisly state as her cousin before her Archer Mayor s Proof Positive is another enthralling installment in the Joe Gunther Series **Bomber's Moon**

Archer Mayor,2019-09-24 The murder of a small time drug dealer snowballs into the most complex case ever faced by Joe Gunther and his VBI team It is said a bright and clear bomber s moon is the best asset to finding one s target But beware what you wish for What you can see at night can also see you Often with dire consequences Bomber s Moon is Archer Mayor s latest entry in the Joe Gunther series and it may just be his best yet Two young women form the heart of this tale One an investigative reporter the other a private investigator Uneasy allies from completely different walks of life they work together around and sometimes against Joe Gunther and his VBI cops in an attempt to connect the murders of a small town drug dealer a smart engaging fatally flawed thief and the tangled political increasingly dark goings on at a prestigious prep school While Gunther and the VBI set about solving the two murders Sally Kravitz and Rachel Reiling combine their talents and resources to go where the police cannot from working undercover at Thorndike Academy to having clandestine meetings with criminals for their insider s knowledge of Vermont s unexpectedly illicit underbelly But there is a third element at work A malevolent force the common link in all this death and chaos is hard at work sowing mayhem to protect its ancient vicious very dark roots **Tag Man**

Archer Mayor,2011-09-27 Archer Mayor s Vermont police procedurals are the best thing going New York Times Book Review Across Brattleboro Vermont rich people some with dark secrets are waking up in their high security alarm equipped homes to find a Post it note stuck to their bedside tables reading You re it There is little sign of disturbance anywhere nothing stolen that

anyone admits and only a bit of expensive food eaten as a signature The Press loves the story and dubs the burglar the Tag Man But who is he And what s he actually doing In fact he s quickly running for his life for what he discovers in one of these houses appears to be proof of a heinous string of murders But is it Joe Gunther struggling to recover from a devastating personal loss leads his VBI team to untangle the many conflicting pieces of evidence while the burglar himself struggles for survival in the no man s land between the police and the villains With no one knowing what to believe or who to trust with Tag Man running for his life in a way he never imagined possible as no one knows who s watching as they sleep or who truly did what the Tag Man is critically acclaimed author Archer Mayor at his very finest *Supreme Court Appellate Divison Second Department* , *Paradise City* Archer Mayor,2012-10-02 Joe Gunther and his team at the Vermont Bureau of Investigation are alerted to a string of unrelated burglaries across Vermont that are connected to the vicious murder of an elderly Beacon Hill woman Surrogate's Court , Bury the Lead Archer Mayor,2018-09-25 Joe Gunther and the VBI team are investigating a murder and an arson case both potentially related to an outbreak of ebola When the body of a young woman is found near a trail at a popular ski mountain the case falls to Joe Gunther and his team at the Vermont Bureau of Investigation VBI They quickly have a suspect Mick Durocher and a confession but not everyone on the team is convinced Despite Mick s ready admission investigators quickly sense there might be more going on than is immediately apparent At the same time a large local business is being targeted with escalating acts of vandalism a warehouse fire a vandalized truck a massive cooling system destroyed resulting in loss of life And either by coincidence or not Mick Durocher the self confessed murderer was once employed by this very company These two puzzling cases now possibly connected are further complicated by the sidelining of a key member of VBI Willy Kunkle who undergoes surgery at a hospital that appears to be having an unlikely and suspiciously timed outbreak of Ebola Joe and his team pursue these cases uncovering motives that might link them while proving that trust betrayed can be a toxic virus turning love into murderous loathing Indeed behind the mayhem and murder Joe must uncover a tragic history before another victim dies
