**Putting Folklore To Use** Michael Owen Jones,2021-10-21 The first book of its kind Putting Folklore to Use provides  
guidance to folklorists but also informs practitioners in other fields about how to use folklore studies to augment their own  
studies How can acting like a folklore fieldworker help a teacher reduce inter group stereotyping and increase student s self  
esteem How can adopting a folklore fieldworker s point of view when interviewing patients help practitioners render health  
care more effectively How can using folklore research help rural communities survive and thrive Thirteen folklorists provide  
answers to these and other questions and demonstrate the many ways folklore can be put to use Their essays commissioned  
for this volume and edited by Michael Owen Jones apply the methods and insights of modern folklore research to thirteen  
different professions and areas of practical concern The authors all of whom have themselves put folklore to use in the fields  
they describe consider applications in detail and explain how folkloristic concepts and techniques can enhance the work of  
various professions They explore applications in such areas as museums aiding the homeless environmental planning art  
therapy designing public spaces organization development tourism the public sector aging and creating an occupation s  
image In an extensive introduction to the volume Jones provides an overview of applied folkloristics that defines the field  
surveys its history in the United States and scrutinizes its basic issues and premises Part I of the book shows how to promote  
learning problem solving and cultural conservation through folklore and its study Part II deals with folklorists helping to  
improve the quality of life Part III reveals folklore s role in enhancing identity and community      Expanding American  
Anthropology, 1945-1980 Alice Beck Kehoe,Paul L. Doughty,2012-01-06 This book examines American anthropology s  
participation in the expansion of the social sciences after World War II Anthropology itself expanded into diverse subfields at  
this time on the initiative of individuals The Association of Senior Anthropologists of the American Anthropological  
Association AAA asks some of these individuals to give accounts of their personal innovations in this discipline which provides  
primary source material on the history of American anthropology      **A Bibliography of Tennessee History, 1973-1996**  
W. Calvin Dickinson,Eloise R. Hitchcock,1999 With some 6 000 entries A Bibliography of Tennessee History will prove to be  
an invaluable resource for anyone students historians librarians genealogists engaged in researching Tennessee s rich and  
colorful past A sequel to Sam B Smith s invaluable 1973 work Tennessee History A Bibliography this book follows a similar

format and includes published books and essays as well as many unpublished theses and dissertations that have become available during the intervening years The volume begins with sections on Reference Natural History and Native Americans Its divisions then follow the major periods of the state s history Before Statehood State Development Civil War Late Nineteenth Century Early Twentieth Century and Late Twentieth Century Sections on Literature and County Histories round out the book Included is a helpful subject index that points the reader to particular persons places incidents or topics Substantial sections in this index highlight women s history and African American history two areas in which scholarship has proliferated during the past two decades The history of entertainment in Tennessee is also well represented in this volume including for example hundreds of citations for writings about Elvis Presley and for works that treat Nashville and Memphis as major show business centers The Literature section meanwhile includes citations for fiction and poetry relating to Tennessee history as well as for critical works about Tennessee writers Throughout the editors have strived to achieve a balance between comprehensive coverage and the need to be selective The result is a volume that will benefit researchers for years to come The Editors W Calvin Dickinson is professor of history at Tennessee Technological University Eloise R Hitchcock is head reference librarian at the University of the South
