Survey Of American Music

Donald William Krummel

Survey Of American Music:

Survey of American Music Karen M. Bryan, 2004 **A Survey of Music in America** Oscar George Theodore Sonneck, 1913 *America's Musical Activities* American Music Conference (U.S.), 1948 **American Music Studies** James R. Heintze, 1984 *Bibliographical Handbook of American Music* Donald William Krummel, 1987 **American Music Librarianship** Carol June Bradley, 2013-09-13 The literature of American music librarianship has been around since the 19th century when public libraries began to keep records of player piano concerts significant donations of books and music and suggestions for housing music As the 20th century began American periodicals printed more and more articles on increasingly specialized topics within music studies Eventually books were developed to aid the music librarian their publication has continued over the course of nearly a century This book reflects the great diversity of the literature of music librarianship The main resources included are items of historical interest descriptions of individual collections catalogues of collections articles describing specific library functions record related subjects bibliographies designed for music library use literature from Canada and Britain when relevant to U S library practices key discographies and information on specialized music research The material is ordered by topic and indexed by author subject and library name *National Survey of Public Interest in Music* American Music Conference (U.S.), 1948 **Perspectives on American Music, 1900-1950** Michael Saffle, 2012-10-12 The essays in this collection reflect the range and depth of musical life in the United States during the first half of the twentieth century Contributions consider the rise and triumph of popular forms such as jazz swing and blues as well as the contributions to art music of composers such as Ives Cage and Copland among others American contributions to music technology and dissemination and the role of these forms in extending the audience for music is also a focus **Race and Gender in the Western Music History Survey** Horace J. Maxile, Jr., Kristen M. Turner, 2022-06-22 *Race and Gender in the Western Music History Survey* A Teacher s Guide provides concrete information and approaches that will help instructors include women and people of color in the typical music history survey course and the foundational music theory classes This book provides a reconceptualization of the principles that shape the decisions instructors should make when crafting the syllabus It offers new perspectives on canonical composers and pieces that take into account musical cultural and social contexts where women and people of color are present Secondly it suggests new topics of study and pieces by composers whose work fits into a more inclusive narrative of music history A thematic approach parallels the traditional chronological sequencing in Western music history classes Three themes include people and communities that suffer from various kinds of exclusion Locales Forms Responses Reception Each theme is designed to uncover a different cultural facet that is often minimized in traditional music history classrooms but which if explored lead to topics in which other perspectives and people can be included organically in the curriculum while not excluding canonical composers *Survey of American music textbooks: 1830-1890* Marie Otken Gons, 1974 **American Studies** Jack Salzman, American

Studies Association,1986-08-29 A major three volume bibliography including an additional supplement of an annotated listing of American Studies monographs published between 1900 and 1988 **A History of American Music Education** Michael Mark,Charles L. Gary,2007-04-16 A History of American Music Education covers the history of American music education from its roots in Biblical times through recent historical events and trends It describes the educational philosophical and sociological aspects of the subject always putting it in the context of the history of the United States It offers complete information on professional organizations materials techniques and personalities in music education *The Music of Multicultural America* Kip Lornell,Anne K. Rasmussen,2016-01-04 The Music of Multicultural America explores the intersection of performance identity and community in a wide range of musical expressions Fifteen essays explore traditions that range from the Klezmer revival in New York to Arab music in Detroit to West Indian steel bands in Brooklyn to Kathak music and dance in California to Irish music in Boston to powwows in the midwestern plains to Hispanic and Native musics of the Southwest borderlands Many chapters demonstrate the processes involved in supporting promoting and reviving community music Others highlight the ways in which such American institutions as city festivals or state and national folklife agencies come into play Thirteen themes and processes outlined in the introduction unify the collection s fifteen case studies and suggest organizing frameworks for student projects Due to the diversity of music profiled in the book Mexican mariachi African American gospel Asian West Coast jazz women s punk French American Cajun and Anglo American sacred harp and to the methodology of fieldwork ethnography and academic activism described by the authors the book is perfect for courses in ethnomusicology world music anthropology folklore and American studies Audio and visual materials that support each chapter are freely available on the ATMuse website supported by the Archives of Traditional Music at Indiana University

Conference on Inter-American Relations: Preliminary Survey of Inter-American Cultural Activities in the United States United States. International Cooperation Administration,1939 Catalogue of the University of Michigan University of Michigan,1948 Announcements for the following year included in some vols Reader's Guide to Music Murray Steib,2013-12-02 The Reader s Guide to Music is designed to provide a useful single volume guide to the ever increasing number of English language book length studies in music Each entry consists of a bibliography of some 3 20 titles and an essay in which these titles are evaluated by an expert in the field in light of the history of writing and scholarship on the given topic The more than 500 entries include not just writings on major composers in music history but also the genres in which they worked from early chant to rock and roll and topics important to the various disciplines of music scholarship from aesthetics to gay lesbian musicology **Inclusive Music Histories: Leading Change through Research and Pedagogy** Ayana O. Smith,2023-08-18 Inclusive Music Histories Leading Change through Research and Pedagogy models effective practices for researchers and instructors striving either to reform music history curricula at large or update individual topics within their classes to be more inclusive Confronting racial and other imbalances of Western music history

the author develops four core principles that enable a shift in thinking to create a truly intersectional music history narrative and provides case studies that can be directly applied in the classroom The book addresses inclusivity issues in the discipline of musicology by outlining imbalances encoded into the canonic repertory pedagogy and historiography of the field This book offers comprehensive teaching tools that instructors can use at all stages of course design from syllabus writing and lecture planning to discussion techniques with assignments for each of the subject matter case studies Inclusive Music Histories enables instructors to go beyond token representation to a more nuanced music history pedagogy

An Index to Articles Published in The Etude Magazine, 1883-1957, Part 2 Pamela Richardson Dennis, 2011-01-01 Annotation The Index is published in two physical volumes and sold as a set for 250 00 As America's geography and societal demands expanded the topics in The Etude magazine first published in 1883 took on such important issues as women in music immigration transportation Native American and African American composers and their music World War I and II public schools new technologies sound recordings radio and television and modern music jazz gospel blues early 20th century composers in addition to regular book reviews teaching advice interviews biographies and advertisements Though a valued source particularly for private music teachers with the de emphasis on the professional elite and the decline in salon music the magazine ceased publication in 1957 This Index to the articles in The Etude serves as a companion to E Douglas Bomberger's 2004 publication on the music in The Etude Published a little over fifty years after the final issue reached the public this Index chronicles vocal and instrumental technique composer biographies position openings department store orchestras the design of a successful music studio how to play an accordion recital programs in music schools and much more The Index is a valuable tool for research particularly in the music culture of American in the late nineteenth and early twentieth centuries With titles of these articles available the doors are now open for further research in the years to come

Official Master Register of Bicentennial Activities American Revolution Bicentennial Administration, 1974

The American Musical Landscape Richard Crawford, 2000-06-30 This book reflects a breakthrough in American music studies an unrecognized field among traditional musicologists until the past few decades during which enormous progress has been made in documenting three centuries of American musical activities and figures Time and effort had to be expended exclusively on the development of basic historical studies The time has come for a new phase one that can take a creative interpretive approach Professor Crawford's study will introduce this higher level of scholarship into the field of American music studies Vivian Perlis author of Charles Ives Remembered A major statement by a senior scholar on what American musicology is all about These themes are also topical they come at a time when much more research is being done in American music but little thought is being given to the big picture the vision the philosophy and the implications of historical research Now is the time for a synthesis and there are few scholars better equipped to do that in American music than Richard Crawford Michael Broyles author of Music of the Highest Class
