Looking for Happiness, Loss of the Big Money and Surviving Ludmila Chorekchan, 2010-03-08 It is an exciting story about how the rich family estate was left without any regret by one sister and lost between the fingers without any responsibility by another sister But nothing bad could happen at all if the people from this story would really know themselves knew their weak points and aware of their psychological problems So I tried to display it through the actions of these people that everybody could not only understand rationally the important psychological problems which push us to our troubles but emotionally also what is very important feeling pain of these people being really upset to their wrong behavior and glad to right one because then we learn better and remember forever It is also very important to know when we want to be happy and when we are not or when we are the victims or when we are attacking others or when we are losing everything going down or when we are just living today This story is very consonant to our time when we also lost a lot and must fix our life how it was before Even more it is my modern psychological version of the famous play A Streetcar Named Desire Tennessee Williams which was published right after The Second World War was over time close to our days when terrors of the war were staying yet in memory of the people leaving its traces on the ways of the life and where serious psychological problems were expressed especially impressively through pain tears and sufferings But in my story I tried to do more to display the real reasons of the psychological problems what we are usually missing step by step discovering wrong

thoughts and wrong doings which led that people to their troubles And as result reward to all of us happy ending because the reasons of all troubles were discovered but to discover means to understand and to understand psychological problems is to get rid of them and to be cured I tried to write about all those serious matters in an easy entertainment way that everybody who will read my story would enjoy it *The American Catholic Who's who* Georgina Pell Curtis, Benedict Elder, 1910 **An All-Consuming Desire to Succeed** John Paul Carinci, 2011-08-01 An inspirational self help book for those seeking personal fulfillment and professional success from the author of *The Power of Being Different* We are all searching for a better life more inspiration and a way to be more productive and fulfilled without the constant competition in our personal lives and workplaces wearing us down With *An All Consuming Desire to Succeed* you can learn to stand out from the crowd by discovering how to maintain a competitive edge through positive affirmations how to control negative influences the secrets of the highly successful how to plan out and achieve newfound goals and lessons on how to motivate yourself to stay true to your unique vision In the spirit of such inspirational authors as Norman Vincent Peale Napoleon Hill and W Clement Stone John Paul Carinci has written a classic self help book centered around achieving success Any reader seeking a healthy dose of positive motivation to achieve the loftiest goals or even to meet the daily challenges of life is sure to find much of value in John Paul Carinci's inspirational work Foreword Reviews **Things We Survive** Stephanie J. Carr, 2021-10-18 Following a day of watching my grand babies play at the beach writing this book became so clear It wasn't just for me but for the generations that came after me Sharing my story may focus on history but it is the future I hope to change Abuse and trauma hadn't just been part of my life but it had already touched the lives of both my daughters nearly killing one Somehow I needed to find a way to be sure it did not touch my grand babies If by sharing the history of abuse that had already transpired by focusing on the warning signs by acknowledging the types of abuse by reliving the details and their triggers then my story can change more lives than just my families **The Journal of English Studies**, 1913 Thought Wilfrid Parsons, Francis Xavier Talbot, Gerald Groveland Walsh, 1945 **A Choice to Survive** N. J. Sparks, 2004-10 Caley Wells decides to build a backyard bomb shelter after learning of the possibility of sudden nuclear chemical or biological attacks She wants to guarantee that her family and friends whom she loves and values will have a chance to survive **Catholic World**, 1941 **If We Survive** Andrew Klavan, 2013-08-20 They came on a mission of mercy but now they're in a fight for their lives High schooler Will Peterson and three friends journeyed to Central America to help rebuild a school In a poor secluded mountain village they won the hearts of the local people with their energy and kindness But in one sudden moment everything went horribly wrong A revolution swept the country Now guns and terror are everywhere and Americans are being targeted as the first to die Will and his friends have got to get out fast But streets full of killers hills patrolled by armies and a jungle rife with danger stand between them and the border Their one hope of escape lies with a veteran warrior who has lost his faith and may betray them at any moment Their one dream is to reach freedom and safety and home If they can
