From Surviving to Thriving (young) Widowhood with Kids Julie D Raque, 2006-12 This is the story of how a happily married woman and mother of an infant and a toddler at the age of 29 woke up at the usual 5 15a m and how within two hours was widowed What's unique about this book is the writing allows you to see and feel first hand the grief and tragedy that Julie and her family went through when experiencing the sudden death loss It illustrates to other parents how they can rebuild quality lives and mold and shape their children into adults that can live successful lives Julie struggled for six years as she learned the hard lessons that pulled her and her two children through the grief process and rebuilt their lives in a way she never thought possible without her husband This book has a powerful message for other widowed and single parents It demonstrates how a person can lose a spouse make their way through the grieving process deal with the anger guilt frustration and feelings of being overwhelmed be a parent to their children and come out on the side where the grass is green *The ABC's of Widowhood* Pat Nowak, 2003-08 Sudden paralysis is a circumstance no one wishes to get intimately familiar with but such tragedies do unfortunately occur In my own experience I've learned that a mother will search desperately for the tools of education whenever they're required but when my son was involved in a life changing accident I could find no shared experiences written of by another parent After living through the experience of the accident's aftermath and the many months of rehabilitation I was eventually able to sit down and put words onto paper in the hope that another mother would one day find my experience helpful during their own times of learning and searching That immediate past so suddenly lost without preparation of any kind brought my old son into focus at the same time as my mind was trying to meet the new one who was in many ways a stranger based on the physical limitations and changes now present in his life During this time is when I met the ghost and the handsome man in the wheelchair I was determined to do so positively but had no instruction book on the new parenting needs We learned together all of us who loved my son and I can now see that part of the lesson is that the ghost leaves us in his own time as we learn to let him go There is no one means or one method lesson book I have tried as honestly as I can to share my experience as a mother My attempt is supported by my courageously inspiring son who was the motivator and teacher in many ways and by

his younger brother who shared commitment and devotion with me At the end of our story which is truly a beginning of another our lives are full and blessings continue to enrich our times together The goal of this book is that the reader will find something that will take them through Hell Week to the start of their loved one s new life with more hope and confidence Many have contributed to our progress I hope I may contribute to the hopefulness of others in similar circumstances *The Widow's Survival Guide* Charity Pimentel-Hyams,2020-09-01 Charity offers hope and practical steps through the darkness and difficulty of grief into the light and new possibilities of life The Reverend Tracy Fye Weatherhogg Within The Widow s Survival Guide Charity Pimentel Hyams a widow at thirty seven with children aged five three and one at the time of her husband s tragic and unexpected death takes women through the challenges and triumphs of young widowhood Throughout The Widow s Survival Guide women learn What to do directly after the death of their spouse How to support themselves and handle grieving children even when they re falling apart What grief can look like and the symptoms it creates How to create an action plan for day to day life Strategies to check in with their heart and stay connected to their lost loved one A brave and deeply human account of embracing unbearable loss powerful medicine for anyone suffering loss Robin Winn LMFT A heartbreaking journey of myriad emotions love and loss I found myself holding my breath through some of the painfully practical details and advice to widows The love expressed in this book in tangible honest and devastating Ana Maria Figueredo author of The Secret Art of Selling Insurance Just the right mix of practicality and existentialism anticipates and normalizes the complex emotions associated with early widowhood Megan Greenleaf MD **For Keeps: Marriages That Last a Lifetime** Finnegan Alford-Cooper,2016-12-05 Derived from the author s own survey called the Long Island Long Term Marriage Survey this text examines couples married 50 years or more The survey comprising of questionnaires and interviews was conducted to learn what factors contributed to the longevity of marriages **Surviving Widowhood** ECSelfPublishing,Eugene Campbell,2007-03-01 This memoir focuses on the author s experiences dealing with the death of his wife It reveals in human terms the causes and events leading to his decision to stay single or marry again **The Theatre of Love, Sex, Marriage and Beyond** Gaglozoo H. A. Berdie,2016-04-25 It is through a deep reflection that I have been able to frame the title of this book which is The Theatre of Love Sex Marriage and Beyond In fact the contents of this book take their roots from the title This book is designed to cover as much as possible a substantial number of the various aspects of the subjects I have discussed as dealt with specifically by the innumerable authors at one time or the other It is without the slightest doubt that not all or every aspect of the subjects of love sex and marriagewritten or propounded by authors researchers psychologists sexologists and medical scientists can be found in one book These different and innumerable ideas theories hypothesis and research findings are as scattered in uncountable books articles newsprints or papers and magazines I will in all honesty admit that what I have attempted to do in this book is only a tip of the iceberg considering the infinitude of the intellectual input and output of others in the myriad of data on the subject I have divided this

book into four parts love sex marriage and the beyond These notwithstanding I hope this humble rendition however inadequate would give readers a general overview of the essentials of these enigmatic subjects of love sex marriage and the beyond
