Surviving A Prodigal Studies For Parents Of Prodigals:

Surviving a Prodigal Dick Crider, Bonnie Crider, Steve Wamberg, 1999-07 Surviving a Prodigal Studies for Parents of Prodigal Children Many families are suffering often in silence with the pain of a prodigal son or daughter Each family has a story to tell and each parent bends tremendously under the conflicting emotions of anger guilt and confusion Surviving a Prodigal deals with the key issues parents face as they work through the rejection and pain of a rebellious child This book helps families examine and talk about the past and present and lead them into a future based on God s Word and His desires for families Surviving a Prodigal is designed for hurting parents It will help parents bull Develop realistic expectations for their prodigal children bull Discuss their feelings of hurt and pain bull Build trust in their marriages bull Support other parents bull Look toward the future not dwell in the past Like all Family Growth Elective courses Surviving a Prodigal is written for today s families This self contained leader s guide provides 13 complete Bible based sessions on practical family related topics Every session includes reproducible handouts for group members and step by step plans for the leader Use this course with adult classes small groups midweek meetings or retreats

Loving a Prodigal H. Norman Wright, 1999 Written for parents of a prodigal child this book provides understanding comfort and guidance Basing his advice on life experience Norm Wright helps parents get past the hurt and family stress

Praying for Your Prodigal Daughter Janet Thompson, 2008-01-29 Offering hope help and encouragement to hurting parents of prodigal daughters author Janet Thompson shares out of her own experience as a prodigal daughter and as the mother of a prodigal daughter And the key to the help she offers is prayer While you as a hurting mom or dad may know that you need to pray for your daughter this walk along beside you book will take you gently by the hand and show you how In it you will find candid stories of other parents of prodigals and even the stories of prodigals themselves Don t wait until you have a prodigal situation Any parent will benefit from this book s incredible insights prayers and stories Praying for Your Prodigal Daughter is about hope help and support from others who have walked a similar road Chapter Topics Include Setting Boundaries Surviving in Marriage Resolving Conflict Making it All About Her What Did We Do to Cause This

Relinquishing My Dreams Tricia Bradley, Sue

Burrows, 2008-11-01 Tricia Bradley was in the midst of an ordinary life when her world was rocked to its core First she discovered that having children was not an inalienable right Then after adopting three beautiful children she learned that her oldest child was living a life of duplicity Thus began a journey of twists and turns that caught her off guard Its not much of an exaggeration to say that without her faith in the Lord she might not have survived such a crisis in her home Over the next 6 years Tricia and her husband faced many difficulties She shares her story candidly and readers find themselves soaring with her in hope one minute and then crashing in devastation the next Along the way she learned many tips about how to handle such a tragedy in her home and she shares them with us Benefiting from hindsight she also can see the various chapters of her story from a new perspective If you have been blindsided by betrayal youll find comfort in her words and wisdom in her

viewpoint This book sheds light on a little discussed topic in Christian circles How to Survive a Prodigal You'll find help and hope for your own unique journey BIBLE STUDIES A valuable addition to this book is a series of Bible Studies that look at various people of Scripture who dealt with the same issues that parents of prodigals deal with today Your heart will be encouraged and your faith strengthened as you learn from their lives The authors are sisters who live approximately 2 000 miles apart but still manage to remain in close contact They grew up in a Christian home and have been involved in ministry at their respective churches nearly all their adult lives Both are college graduates and experienced teachers Between them they have two husbands five children and six adorable grandchildren They share a deep commitment to women in crisis and offer the lessons they learned to fortify others on the same road Disability in German-speaking Europe Linda Leskau, Tanja Nusser, Katherine Sorrels, 2022 This collection reflects on the development of disability studies in German speaking Europe and brings together interdisciplinary perspectives on disability in German Austrian and Swiss history and culture Ableism remains the most socially acceptable form of intolerance with pejoratives referencing disability and intellectual disability in particular remaining largely unquestioned among many Yet the understanding depiction and representation of disability is also clearly in a process of transformation This volume analyzes that transformation taking a close look at attitudes toward disability in historical and contemporary German speaking contexts The volume begins with an overview of the emergence and growth of disability studies in German speaking Europe against the background of the field's emergence a decade or so earlier in the US and UK The differences in timing methodology and research concentrations bring into focus how each cultural context has shaped the field of disability studies in its multiple and diverse approaches Building on recent scholarship that uses a cultural studies approach the volume's three sections analyze constructs of disability and ability in history memory and culture The essays in the history section examine how the emotions morality and power have played into and still do play into the individual's experience of disability Those in the memory section grapple with the origins of the Nazi persecution of people with disabilities the fight for recognition of this genocide and the politics of its commemoration Finally the culture section offers close readings of disability in literary and filmic texts from the twentieth and twenty-first centuries **Daughters Gone Wild, Dads Gone Crazy** Charles Stone, Heather Stone, 2025-03-25 Fifteen psychologists twelve secondary schools four expulsions four rehabs two house arrests and innumerable arguments the cast and plot line for a season's worth of Law and Order No This was the real life drama of Heather Stone's adolescence Now in college Heather the once rebellious teen has sat down with her father to pen an insider's guide for parents and teens alike Charles and Heather don't offer Cleaver family ideals or promise Brady Bunch thirty minute solutions They instead share the realities of their 6 year nightmare in the hopes of fostering hope for the millions of families trying to survive the years from thirteen to eighteen Replete with faith honesty and practicality it offers readers nine practical lessons and provides a compass for even the worst tempests of teen rebellion **Loving your Rebellious Child** Norman H Wright, 2013-12-10

What to Do When Your Child Strays It often begins with a phone call It may be from a police officer teacher pastor friend or even from your son or daughter Whoever it is they are telling you something you never wanted to hear something that causes you to go weak with shock disbelief and dismay I m moving out I can t stand you or your religion anymore I m pregnant I m living with my girlfriend Mom Dad I m gay Your son has been arrested for selling drugs Such words shake the very foundations of a home and family Everything you ve worked for prayed for and sacrificed for has just crumbled Where do you go from here Loving Your Rebellious Child is not a how to quick fix for parents of prodigals rather it reads more like a wise companion coming alongside to bear the pain understand the struggle and to offer insights gleaned from the kiln of experience

When a Prodigal Breaks Your Heart Nancy Ferrin,2012-10-01 By 1993 God had blessed Nancy Ferrin with six precious children One was taken home to heaven soon after birth but the others were her treasures here on earth The early years were uneventful and filled with activities family fun and spiritual training However the teen years led one son on an unexpected destructive path Heartbreak grew when a few years later her only daughter followed in her brothers footsteps During those agonizing years Gods peace sustained Nancy as she turned to Him repeatedly for understanding and strength Because there are countless other parents dealing with similar struggles this book is intended to help with the confusion and uncertainty of the prodigal years

"Behold I Stand At the Door and Knock" Merry Jo Hooker,2008-05 Recent gallop polls and Barna research confirm that although 86% of Americans claim to be Christian a whopping 61% reject a literal Satan or hell God s prodigals perish for lack of knowledge embracing only what they perceive as normal the routine sound of their enemy s breath From the pages of my own past springs forth a profoundly shocking and eye opening truth relevant to a multitude of prodigals although my spirit became eternally engaged at the age of eleven my soul had yet to receive the education so pertinent to its survival causing a downward spiraling that nearly aborted my earthly life To that missing remnant I present this scroll of remembrance present day evidence that Jesus Christ is still alive and well faithfully keeping His covenant promises to everyone whose name is written in the Lamb s Book of Life As a former prodigal Merry Jo shares her insights into the desperate life and character of a prodigal and of the matchless mysterious grace of the Father who has eternally foreknown and loved her Her inspired messages continue to appear in anthologies journals and military resources throughout the United States and abroad instructing saints on their positional inheritance in Christ and warning the church of Satan s clear and present danger This declaration of independence paves an avenue of grace destined to catapult struggling prodigals out of the house of bondage safely into the Savior s waiting embrace She has advocated for prodigals and their families since her miraculous deliverance and homecoming in 1983 Merry Jo is a pediatric nurse living in Asheville North Carolina with her husband Tim and three children Timothy She lah and Sariah Breakthrough World Outreach Center is where they call home
