Dowling,2007-04-26 Against the majority opinion this study argues that the Lukan Parable of the Talents Lk 19 11 28 is a story about the use and abuse of power The parable is also the story of those who suffer adverse consequences when they oppose unjust power structures This suppression of challenge to oppressive structures evidenced in

the Parable of the Pounds fits a pattern that operates in other parts of the Lukan Gospel We meet it for example in the arrest and killing of John the Baptist by Herod and in the arrest and crucifixion of Jesus The Parable of the Pounds can be seen as a paradigm for the stories of those characters in the Lukan Gospel who lose their pound when they challenge an oppressive structure where pound becomes a metaphor for what one has that can be potentially taken away by those in a position of power This study argues that this pattern of taking away the pound is also seen within stories of women characters who resist patriarchal ideals and expectations The Parable of the Pounds is used as a lens through which to view the characterizations of Lukan women New lenses provide new opportunities for perception This study explores what is opened up by this way of viewing the text In particular it explores the ways in which the dynamic of the Parable of the Pounds gives insight into the dynamic operating in the Lukan women's characterizations LNTS Weaving Dreams – Träume weben Meehyun Chung, Elisabeth C. Miescher, 2009-01-01 The contributions to this book illustrate what women around the world dream about and how they try to weave their dreams into the community This was also the most important wish for Ruth Epting dreams not nightmares but dreams which are all based precisely upon the God's protection and God's love for us I want to give you hope and a future Jer 29 11 Die Beiträge in diesem Buch zeigen wovon Frauen weltweit träumen und wie sie versuchen Träume in Gemeinschaft besser zu weben Das war auch das wichtigste Anliegen von Ruth Epting Träume die nicht bloß Alptraum sind sondern konkret auf der Zuversicht auf Gott und auf die Zuwendung Gottes zu uns allen basieren Ich will Euch Zukunft und Hoffnung geben Jer 29 11 Eine Pionierin in Kirche Mission und kumene feiert ihren 90 Geburtstag Um Ruth Epting zu ehren widmen wir ihr diese Festschrift Die deutsch und englischsprachigen Beiträge zu diesem Buch zeigen wovon Frauen weltweit träumen und wie sie versuchen Träume in Gemeinschaft besser zu weben Das war auch das wichtigste Anliegen von Ruth Epting Träume zu leben die nicht bloß Alptraum sind sondern konkret auf der Zuversicht auf Gott und auf die Zuwendung Gottes zu uns allen basieren Ich will Euch Zukunft und Hoffnung geben Jer 29 11 Indem wir uns auf diesen Zusage verlassen bemühen wir uns im auf Gott Angewiesensein im jeweiligen Kontext mehr Gerechtigkeiten zwischen Geschlechtern sozialen Schichten Ideologien Nationen und Kulturen zu schaffen Indem wir nicht allein sondern gemeinsam träumen ist es der Anfang von etwas Neuem *Nothing Is Impossible with God* Rose Marie Miller, 2012-10-01 No one likes to feel weak Just thinking about our inadequacy can fill us with fear and hopelessness But Rose Marie Miller has a different perspective For her true weakness is a gift born out of a deep sense of need it drives us to Christ and unleashes all the redeeming energy of God's grace in our lives and others Rose Marie Miller **Claiming Civic Virtue** Jan Bender Shetler, 2019-07-09 Among communities in the Mara region of Tanzania it is considered men's responsibility to maintain history But when Jan Bender Shetler's questions turned to specific familial connections within the village she discovered her male informants had to occasionally leave the room to ask their wives for clarification The result is an original and wide ranging investigation of the gendered nature of historical memory and its influence on the development of the region over

the past 150 years Shetler's exploration of these oral traditions and histories opens exciting new vistas for understanding how women and men in this culture tell their stories and assert their roles as public intellectuals with important implications for research in African and gender studies and the history of ethnicity and nationalism *Change across Cultures* Bruce Bradshaw, 2002-03-01 C S Lewis compared the task of ethical inquiry to sailing a fleet of ships the primary task is avoiding collisions When introducing cultural change such collisions are inevitable Bruce Bradshaw provides expert instruction for navigating these cultural clashes Bradshaw contends that lasting change comes only through altering the stories by which people live The Bible is the metanarrative whose altering theme of redemption forms a transcultural ethical basis Aspects of God's redemption story can change how local cultures think and behave toward the environment religions government gender identities economics science and technology However effective change takes place only in a context of reconciliation Christian community and mutual learning A must read for anyone engaged in or preparing for cross cultural ministry relief or development work The book is also relevant to students of ethics philosophy and theology Numerous real life examples illustrate the inevitable tensions that occur when cultures and narratives collide Sevyns Life: A Story About The First Black Billionaire Transgender Woman MarthaK Sayz, Ka'milla Harris, 2024-04-06 This story provides an intriguing glimpse into the life of its protagonist Sevyn from her humble beginnings growing up in the Cabrini Green housing projects of Chicago all the way to her current status as a billionaire transgender businesswoman living in an opulent mansion in Dubai The narrative seamlessly jumps between the present and flashes back to Sevyn's childhood painting a picture of how she has risen from nothing to achieve immense success against all odds From the very first chapter the author establishes Sevyn as a strong driven woman who hasn't let her past hold her back We find her waking up beside her loving husband Rich in their sprawling Dubai estate but even amid this life of luxury the scent of coffee and bacon takes her back to memories of her grandmother's kitchen in Cabrini Green These glimpses into Sevyn's childhood highlight the grit and resilience she developed early on traits that would serve her well on her journey Despite everything she endured growing up in such an impoverished environment she has never stopped believing in herself or her ability to make her dreams a reality After reconnecting with memories of her family and upbringing over breakfast Sevyn begins to open up to Rich about her history hinting at secrets from her past that will alter their understanding of who she is This sets the stage for what is sure to be a revealing tale of Sevyn's journey of self discovery and empowerment I'm eager to learn more about the obstacles she had to overcome to reach her current position of wealth and influence Her determination to keep striving despite facing adversity serves as an inspiration That night Sevyn has another taping of her show *SS Diaries* though she neglects practicing her monologue as ghosts from her past resurface Through the description of her silhouette dancing in the mirror fragments cast by the chandelier the author builds an evocative sense of the inner turmoil Sevyn feels as her demons emerge But she is able to channel her memories of poverty and homelessness into finding her voice and delivers a passionate speech touching on

themes of perseverance that resonates with her massive global audience After filming Sevnyn and Rich retreat to the secret cellar chamber of their mansion where in addition to cannabis and music they keep priceless works of art family portraits and evidence of their philanthropic ambitions Sevnyn's successful career has clearly provided rich material comforts but her history still haunts her as she gazes at photos reminding her of harsher times Rich remains devotedly by her side supporting her through the resurfacing of painful recollections Their loving relationship established family and hopes for the future offer rays of light amid the shadows of Sevnyn's past that continue emerging I'm left wanting to know more about the specific hardships she faced and how she was finally able to overcome them Her journey seems sure to inspire with its message of empowerment and achieving the impossible through grit resilience and an unbreakable spirit The author provides vivid sensory details that transport the reader directly into Sevnyn's lavish yet conflicted world From the scents and sounds that transport her back to her childhood to the reflection of her quivering form in the mirrors as trauma resurfaces one can feel the visceral experience of Sevnyn's memories and emotions The interweaving of flashbacks with the present day also builds engaging dramatic tension making me eager to watch as more of Sevnyn's history is revealed piece by piece Both Sevnyn and Rich come across as complex multilayered characters and I appreciate the glimpses into Rich's background and support of Sevnyn that help balance the focus on her experiences Their caring partnership serves as a strong foundation that clearly played a role in helping Sevnyn achieve all she has Her determination to keep growing in her philanthropy work despite struggles with her past shows an evolved character who wants to use her platform to help others facing similar adversity In summary this novel introduction draws the reader deeply into Sevnyn's intriguing world through vivid sensory storytelling and bits of mystery surrounding her past Both the present day scenes of luxury and the historical flashes back to harder times feel richly realized Sevnyn emerges as a compelling protagonist whose journey of perseverance through challenge upon challenge promises to hold inspiration I look forward to seeing how the author continues to peel back the layers on Sevnyn's history while advancing the engaging plotlines of her marriage career and philanthropic ambitions This shows great promise as a story of empowerment and overcoming the odds through grit and resilience Legba's Crossing Heather

Russell, 2010-01-25 In Haiti Papa Legba is the spirit whose permission must be sought to communicate with the spirit world He stands at and for the crossroads of language interpretation and form and is considered to be like the voice of a god In Legba's Crossing Heather Russell examines how writers from the United States and the anglophone Caribbean challenge conventional Western narratives through innovative use disruption and reconfiguration of form Russell's in depth analysis of the work of James Weldon Johnson Audre Lorde Michelle Cliff Earl Lovelace and John Edgar Wideman is framed in light of the West African aesthetic principle of *she a quality* ascribed to art that transcends the prescribed boundaries of form she is linked to the characteristics of improvisation and flexibility that are central to jazz and other art forms Russell argues that African Atlantic writers self consciously and self reflexively manipulate dominant forms that prescribe a certain trajectory of

for example enlightenment civilization or progress She connects this seemingly postmodern meta analysis to much older West African philosophy and its African Atlantic iterations which she calls the Legba Principle **Love, Activism, and the Respectable Life of Alice Dunbar-Nelson** Tara T. Ebony ,1990-11 EBONY is the flagship magazine of Johnson Publishing Founded in 1945 by John H Johnson it still maintains the highest global circulation of any African American focused magazine *Foremother Love* Dana Murphy,2025-06-27 Dana Murphy examines the importance of eighteenth century poet Phillis Wheatley as a foundational figure for Black feminist criticism The Tao of Solomon Rabbi Rami Shapiro,2023-09-22 In The Tao of Solomon Rabbi Rami Shapiro unravels the golden philosophical threads of wisdom in the book of Ecclesiastes reweaving the vibrant book of the Bible into a 21st century tapestry Shapiro explores the timeless truth that we are merely a drop in the endless river of time and reveals a path to finding personal and spiritual fulfillment even as we embrace our impermanent place in the universe The Tao of Solomon is not a new translation of Ecclesiastes rather it is a re visioning of the sacred text that acknowledges that the only constant in life is change that nothing lasts forever and that only by releasing our hold on permanence can we finding personal peace Bulletproof Jennifer Wenzel,2010-07-15 In 1856 and 1857 in response to a prophet s command the Xhosa people of southern Africa killed their cattle and ceased planting crops the resulting famine cost tens of thousands of lives Much like other millenarian anticolonial movements such as the Ghost Dance in North America and the Birsa Munda uprising in India these actions were meant to transform the world and liberate the Xhosa from oppression Despite the movement s momentous failure to achieve that goal the event has continued to exert a powerful pull on the South African imagination ever since It is these afterlives of the prophecy that Jennifer Wenzel explores in Bulletproof Wenzel examines literary and historical texts to show how writers have manipulated images and ideas associated with the cattle killing harvest sacrifice rebirth devastation to speak to their contemporary predicaments Widening her lens Wenzel also looks at how past

failure can both inspire and constrain movements for justice in the present and her brilliant insights into the cultural implications of prophecy will fascinate readers across a wide variety of disciplines The Continuum Encyclopedia of American Literature Steven R.
