## **Survivors Vietnam Pows Tell Their Stories:**

*Survivors* Zalin Grant, 1994-03-22 This book is the moving story of nine American soldiers and pilots who were captured and held prisoner for five years. It could only be told in their own words so author Zalin Grant interviewed each of the men and wove their accounts together to form a single compelling narrative of war and survival. They describe the details of their daily existence in a Vietcong jungle prison as the war ebbed and flowed around them: the rats, the terror of American bombing raids, the sickness, starvation, and torture. Through the juxtaposition of their individual stories we see the subtle destructive tensions that operate on a group of men in such desperate circumstances. Marched up the Ho Chi Minh trail to Hanoi, the prisoners' physical ordeal gave way to an agonizing moral dilemma: Should they join the Peace Committee, a group of POWs protesting the war? Or should they resist their captors by all possible means as ordered by the secret American commander of the Hanoi prison? After years in the jungle on the edge of survival, each man had to answer the questions: Who am I? What do I believe? These men form a cross section of the army we sent to Vietnam. Their words illuminate not only their individual background and experience but also the meaning of this war for all of us.

**Only the Dead** Jack Carr, 2023-05-16 NOW AN AMAZON PRIME TV SERIES STARRING CHRIS PRATT Take my word for it James Reece is one rowdy motherf er Get ready CHRIS PRATT JAMES REECE IS BACK 1978 Rhode Island A freshman senator is gunned down sending shockwaves through Washington that are still reverberating over four decades later. Now in a world on the brink of war, facing rampant inflation, political division, and shocking assassinations, a secret cabal of global elites are ready to assume control. And with the world's most dangerous man locked in solitary confinement, the conspirators believe the final obstacle to complete domination has been eliminated. They're wrong. From the firms of Wall Street to the corridors of power in Washington DC and Moscow, secrets from the past have an uncanny ability to rise to the surface, and with the odds stacked against him, James Reece is on a deadly mission: generations in the making. But for a man on the warpath, odds are not important. Intoxicating and timely, *Only the Dead* cements Jack Carr as a rare gut punch writer full of grit and insight. Gregg Hurwitz, *New York Times* bestselling author. Fans of Tom Clancy's Jack Ryan, Lee Child's Jack Reacher, or Vince Flynn's Mitch Rapp will love the James Reece series. Praise for Jack Carr: A propulsive and compulsive series. Jack Carr's James Reece is the kind of guy you'd want to have in your corner. A suspenseful and exhilarating thrill ride. Jack Carr is the real deal. Andy McNab. This is seriously good. The suspense is unrelenting, and the tradecraft is so authentic the government will probably ban it, so read it while you can. Lee Child. With a particular line in authentic tradecraft, this fabulously unrelenting thrill ride was a struggle to put down. Mark Dawson. Gritty, raw, and brilliant. Tom Marcus. So powerful, so pulse-pounding, so well written, rarely do you read a debut novel this damn good. Brad Thor. Carr writes both from the gut and a seemingly infinite reservoir of knowledge in the methods of human combat. Loved it. Chris Hauty. A powerful, thoughtful, realistic, at times terrifying thriller that I could not put down. A terrific addition to the genre. Jack Carr and his alter ego protagonist James Reece continue to blow me away. Mark Greaney.

Frazier,2017-02-02 In 1965 fed up with President Lyndon Johnson s refusal to make serious diplomatic efforts to end the Vietnam War a group of female American peace activists decided to take matters into their own hands by meeting with Vietnamese women to discuss how to end U S intervention While other attempts at women s international cooperation and transnational feminism have led

to cultural imperialism or imposition of American ways on others Jessica M Frazier reveals an instance when American women crossed geopolitical boundaries to criticize American Cold War culture not promote it The American women Frazier studies not only solicited Vietnamese women s opinions and advice on how to end the war but also viewed them as paragons of a new womanhood by which American women could rework their ideas of gender revolution and social justice during an era of reinvigorated feminist agitation Unlike the many histories of the Vietnam War that end with an explanation of why the memory of the war still divides U S society by focusing on linkages across national boundaries Frazier illuminates a significant moment in history when women formed effective transnational relationships on genuinely cooperative terms
