friendship makes him keep his heart's desire locked deep inside the relaxed carefree exterior When Sara's father dies and stipulates in his will that she must marry Buck's older brother Cord or lose her life's goal controlling interest of the Cattle Enterprise that is the Double B Buck's left with two choices risk his heart and best friend by telling Sarah how he feels or stand by and watch the love of his life marry his brother in order to secure what she has worked so hard to earn Will Sara choose to marry for love of the land or will she wake up in time to realize the one man who's always had her back also has her heart The Cowboy Comes Home Charli Boyd good time Charli to her friends and even her enemies She's wants nothing to do with committed relationships She isn't interested in marriage or babies or settling down in one place for more than a night or two A brief stay on her friend's ranch the Double B leads to a temporary job helping in the grouchy Dr Clark's veterinarian office Not her usual role but the idea of playing nurse to the cute but grouchy doctor is too much fun to resist Besides Doc needs to lighten up and she's just the gal to show him how Small town vet Dr Grant Clark has no time for such nonsense He has a business to run horses to tend and hopefully at some point in the future he'll meet a nice woman who he can raise a family with The wild redheaded Charli is nothing but trouble The last person he needs in his life right now is someone like her But when she sets her sights on seducing him how long will he be able to resist her tempting offer of a walk on the wild side Trouble in Texas Charli Boyd good time Charli to her friends and even her enemies She's wants nothing to do with committed relationships She isn't interested in marriage or babies or settling down in one place for more than a night or two A brief stay on her friend's ranch the Double B leads to a temporary job helping in the grouchy Dr Clark's veterinarian office Not her usual role but the idea of playing nurse to the cute but grouchy doctor is too much fun to resist Besides Doc needs to lighten up and she's just the gal to show him how Small town vet Dr Grant Clark has no time for such nonsense He has a business to run horses to tend and hopefully at some point in the future he'll meet a nice woman who he can raise a family with The wild redheaded Charli is nothing but trouble The last person he needs in his life right now is someone like her But when she sets her sights on seducing him how long will he be able to resist her tempting offer of a walk on the wild side The Cowboy's Duet Susan Sampson left the Double B far behind when she moved to New York City Determined to make it on Broadway she wanted to prove to everyone back home including Teddy Weston that she has what it takes But ten years later she's discovering the cost of fame can be high especially with a stalker on her trail Teddy Weston shut off his emotions toward Susan the day he found out she sold one of his songs to a Nashville producer behind his back Even though their families were in business together he refused to have anything more to do with her But now she's in danger and he's the only one the family trusts to protect her Old memories die hard when Susan and Teddy are thrust back together With everything on the line can they find their way back to the music without breaking their hearts
