Instructional Materials Price List and Order Form California. State Department of Education, 1980 *The Magic Circle* Charmaine Chan, 2023-08-04 I sit by your bed and watch you as I sometimes do There are days when you are so beautiful and vivacious and alive we cannot believe that you are going to die Other days we are convinced you are at death's door and that this this is the day that we will lose you Now I bear witness to the disease that is eating you up alive ravaging your physical shell I look at your wasted body once so slim and graceful at the jaundiced pallor of your once perfect skin stretched tight around the still lovely bones of your face at the way shadows collect in the hollows around your eyes and your collarbones And very slowly inside me something small starts to crack A tiny fissure that spreads and widens before splitting open entirely to let something hot and liquid well up like molten lava threatening to spill out the sides of my mouth as rich and bitter and metallic as blood Is this then what heartbreak feels like The Magic Circle tells the story of what happens when Charmaine Chan's sister Elaine is diagnosed with a rare and aggressive cancer As the illness progresses family members living on different continents gather together during Elaine's last days Striving to distract Elaine from the worst effects of the cancer Charmaine takes to the pen conjuring up the vanished world of their childhood in Singapore and discovering a way to keep her promise to Elaine's six year old daughter A contemplation on grief and loss nostalgia and yearning The Magic Circle is for anyone who's been torn apart and put back again by the inexplicable power of memory *Catalog of Copyright Entries.
