## **Sustainability Of Homeownership Factors Affecting The Duration Of Homeownership And Rental Spells:**

The Sustainability of Homeownership Donald R. Haurin, Stuart S. Rosenthal, United States. Department of Housing and Urban Development. Office of Policy Development and Research, 2005-09 The nation's homeownership rate is affected by both the length of time that households remain as homeowners rather than reverting to being a renter the length of time households rent or live with their parents following the termination of a period of homeownership Thus differences in ownership rates between whites African Americans Hispanics could be due in part to differences in their durations of owning renting living with parents This analysis reveals that it is not true that once an owner always an owner The rate of exiting from homeownership differs substantially by race ethnicity of the owner This study follows a cohort of individuals for 21 years Policies must promote new ownership spells that are sustainable Tables

Factors influencing homeownership amongst civil servants in Ibadan metropolis Olabisi Ojekunle, 2016-05-11 This study examines factors influencing homeownership amongst civil servants in Ibadan metropolis Oyo State Nigeria For this purpose it identifies the socio economic characteristics of civil servants in Ibadan investigates their housing preferences and identifies and examines factors affecting homeownership amongst them This happens with a view to promote homeownership The study uses self administered questionnaires to obtain relevant data A total number of 113 participants were used This was generated by taking 15% of the staff capacity of each of the reviewed ministries in the Oyo State government secretariat Ibadan Oyo State Out of this number 95 valid participants were retrieved and used for the analysis indicating a response rate of 84.07% Data were analysed with the use of frequencies percentages and weighted mean analysis

**Homeownership and America's Financial Underclass** Mechele Dickerson, 2014-06-30 Why does America have a love affair with homeownership For many buying a home is no longer in their best interest and may harm their children's educational opportunities This book argues that US leaders need to re evaluate housing policies and develop new ones that ensure that all Americans have access to affordable housing whether rented or owned After describing common myths the book shows why the circumstances now faced by America's financial underclass make it impossible for them to benefit from homeownership because they cannot afford to buy homes It then exposes the risks of home buying while brown or black discussing US policies that made it easier for whites to buy homes but harder and more costly for blacks and Latinos to do so The book argues that remaining racial discrimination and certain demographic features continue to make it harder for blacks and Latinos to receive homeownership's promised benefits
