Kalami, 2025-08-04 The main theme of this literary work examines avarice insatiable greed and abysmal voracity of those individuals who under the guise of serving God serve their own vested interest This documented book exposes such people who achieve almost everything to fill their coffers and to vent their hatred through deceit and the obfuscation of the public It is a known fact that the majority of the

televangelists commenced life modestly most of them devoid of any academic erudition in theology but with some certification from unrecognized seminaries spread throughout the country wherever they reside What captivated my interest in writing this book is the unscrupulous methods that such people have employed to accumulate unjustified immense wealth and properties just through the art of obfuscation deceit and false promises of invoking God to heal the sick and dying for a fee a fee that would leave them unhealed and poverty stricken Bill Clinton: An American Journey Nigel

Hamilton,2003-09-30 Bill Clinton forty second president of the United States is the quintessential baby boomer on the one hand blessed with a near genius IQ on the other beset by character flaws that made his presidency a veritable soap opera of high ideals distressing incompetence model financial stewardship and domestic misbehavior In an era of cultural civil war the Clinton administration fed the public an almost daily diet of scandal and misfortune Who is Bill Clinton though and how did this baby boom saga begin Clinton's upbringing in Arkansas and his student years at Georgetown Oxford and Yale universities help us to see his life not only as a personal story but as the story of modern America Behind the closed doors of the house on the hill above Park Avenue in Hot Springs the struggle between Clinton's stepfather and mother became ultimately unbearable causing Virginia to move out and divorce Roger Clinton Dreading confrontation Bill Clinton excelled in almost every field save athletics But the fabled success of the scholarship boy would be marred by the decisions he came to make regarding Vietnam and military service choices that haunt him to this day We watch with a mixture of alarm fascination and awe as Bill Clinton does so much that is right and so much that is wrong He sets his cap for the star student at Yale young Hillary Rodham seducing her with his dreams of a better America and an aw shucks grin Wherever he goes he charms and disarms young and old men and women and more women He becomes a law professor straight out of college he contests a congressional election in his twenties and almost wins it He becomes attorney general of his state and within two years is set to become the youngest ever governor of Arkansas at only thirty two Yet always there is a curse a drive toward personal self destruction and with that the destruction of all those who are helping him on his legendary path His affair with Gennifer Flowers strains his marriage and later nearly scuttles his bid for the presidency He is thrown out of the governor's office after only one term and suffers a life shaking crisis of confidence Though with the stalwart help of a female chief of staff he regains his crown it is clear that Bill Clinton's charismatic career is a ceaseless tightrope walk above the forces that threaten to pull him down the most potent of them residing in his own being Imbued with sympathy deep intelligence and the storyteller's art this extraordinary biography helps us at last to understand the real Bill Clinton as he stumbles and withdraws from the 1988 presidential nomination race but enters it four years later to make one of the most astonishing bids for the presidency in the twentieth century the climax of this gripping political social and scandalous journey **Pat Robertson** David John Marley,2007 A portrait of the 700 Club host and co founder of the Christian Coalition considers his role as a reviled figure in the secular world and a formidable role model among Christian fundamentalists in a profile that

lauds his achievements while questioning some of his decisions *Gringos Get Rich* Eunice Rojas,2023-11-28 Documents counterimperialism in Chilean music since the 1960s *Gringos Get Rich* Anti Americanism in Chilean Music examines anti Americanism in Latin America as manifested in Chilean music in recent history From a folk based movement in the 1960s and early 1970s to underground punk rock groups during the Pinochet regime to socially conscious hip hop artists of postdictatorship Chile Chilean music has followed several left leaning transnational musical trends to grapple with Chile s fluctuating relationship with the United States Eunice Rojas s innovative analysis introduces US readers to a wide swath of Chilean musicians and their powerful protest songs and provides a representative and long view of the negative influences of the United States in Latin America Much of the criticism of the United States in Chile s music centers on the perception of the United States as a heavy handed source of capitalist imperialism that is exploitative of and threatening to Chile s poor and working class public and to Chilean cultural independence and integrity Rojas incorporates Antonio Gramsci s theories about the difficulties of struggles for cultural power within elitist capitalist systems to explore anti Americanism and anti capitalist music Ultimately Rojas shows how the music from various genres time periods and political systems attempts to act as a counterhegemonic alternative to Chile s political cultural and economic status quo Rojas s insight is timely with recent political trends toward the right in the Americas There is also increased interest in and acceptance of popular song lyrics as literary texts The book will appeal to Latin Americanists ethnomusicologists scholars of popular culture and international relations students and general readers *A Terrifying Grace* Rob Yule,2017-04-28 Romance and sexual intimacy are among life s highest joys How we handle our sexuality is an ultimate challenge particularly in today s sexualised global culture Rob Yule looks at a fascinating selection of romantic relationships from throughout Christian history from Augustine Abelard and Heloise and the Luthers to Billy and Ruth Graham and Pope Saint John Paul II Illustrating how challenging and far from straightforward the relationship of men and women is in real life he draws many insights for relationships and marriage today *A Terrifying Grace* explores the romantic relationships of leading Christians throughout history and how they handled sex and marriage What were their relationships and marriages like What did they believe or teach about sexuality and marriage Did their marriages or celibate lives live up to their professed beliefs How did they handle the joys pains temptations and responsibilities of their intimate relationships alongside their public life and witness Even great Christians have struggled to handle their intimate relationships We can learn much from them how to live with integrity in today s hypersexualised culture
