P. Kennedy,2016-11-01 Excerpt from Swallow Barn or a Sojourn in the Old Dominion Painters I profess to make a strong likeness even if it should be thought to be hard and what better workmen might call a daub as to which I must leave my reader to judge for himself when he has read this book The outward public award on this point was kind and bestowed quite as much praise as I could have desired much more than I expected when the former edition appeared But the progress has brought out many competitors since that day and has perhaps rendered the public taste more scrupulous A book then was not so perilous an Offering as it is now in the great swarm of authorships We run more risk just now of being let alone unread untalked Of though not happily unpuffed by a few newspapers who are favorites with the publisher and owe him some courtesies About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works
