**Packing Grandma's China** Lana M. Tatom,2013-09 Somewhere along the way in life you start to listen to that little voice We are all on this journey together growing learning and changing As I stood in the kitchen of my dream home looking out on the still water of the pond I cried Warm salty tears streamed down my face as I told myself I could do this Just start with one box don't get overwhelmed Pack one box stay focused I started packing Grandma's china first As I packed the china set a flood of memories came of the countless times I had carefully wrapped up each piece and placed them into the box It was at that moment that I decided to write about this beautiful set of china all the experiences and lessons I have

learned along my journey It is through my grandmother s journey that I have found my own strength and freedom Twenty years and thirteen moves later the china is the only set of dishes I own When was the last time you used your china What are you waiting for Don t leave it locked up waiting for a special occasion Make today the special occasion you have been waiting for In loving memory of my Grandma Veronica Billetz January 13 1922 December 13 2009 Grandma'S Hands Rachel Bryant,2016-08-15 The book Grandmas Hands A Portrait in Time was inspired by the life of Rachel Bryants paternal grandmother whose parents were slaves as well as her own observations of blatant discriminatory and degrading practices inflicted upon those once thought to be inferior This beautifully written book consisting of twenty poems mainly reflecting life as it was in Americas Jim Crow South takes the reader on a powerful journey from slavery to present day society Through her unique and eloquent style Rachel Bryant manages to capture and convey the thoughts and feelings of characters so cleverly portrayed throughout this provocative and awe inspiring book While the majority of poems were written for mature audiences readers will find several poems that are appropriate for all **Grandma's Drugstore** Shawna Newton,2008-10-22 Grandma s Drugstore features hundreds of tried and true health and beauty home remedies from the Grandmothers of Our Past This Treasury also contains Grandmother Stories herbal information old fashioned household hints and tips and lists of herbal drug and food descriptions and possible adverse interactions A book that no home library should be without **Grandma's Garden** Keith Blackburn,2007-04-05 In 1946 Kenny is just three years old He faces the usual childhood traumas but set against the stark backdrop of an industrial West Yorkshire town This book features his progress from a naive three year old through to his teens from falling in love at the age of 6 to his sexual fantasies over his music teacher in the secondary school **A Bitter Pill to Swallow** Tiffany Gholar,2016-01-20 On the edge of the Chicago medical district the Harrison School for Exceptional Youth looks like a castle in a snow globe Janina has been there since she was ten years old and now she s fourteen She feels so safe inside its walls that she s afraid to leave Devante s parents bring him there after a tragedy leaves him depressed and suicidal Even though he s in a different place he can t escape the memories that come flooding back when he least expects them Dr Gail Thomas comes to work there after quitting her medical residency Frustrated and on the verge of giving up on her dreams she sees becoming a counselor as her last chance to put her skills to the test When he founded the school Dr Lutkin designed its unique environment to be a place that would change the students lives He works hard as the keeper of other people s secrets though he never shares any of his own But everything changes late in the winter of 1994 when these four characters lives intersect in unexpected ways None of them will ever be the same The Saints of Swallow Hill Donna Everhart,2022-01-25 Where the Crawdads Sing meets The Four Winds in this Depression era historical fiction novel set in the turpentine camps and pine forests of the American South A captivating story of friendship and survival as the lives of three vagabonds intersect in rural Georgia and North Carolina It takes courage to save yourself In the dense pine forests of North Carolina turpentiners labor hacking into tree trunks to draw out the sticky

sap that gives the Tar Heel State its nickname and hauling the resin to stills to be refined Among them is Rae Lynn Cobb and her husband Warren who run a small turpentine farm together Though the work is hard and often dangerous Rae Lynn who spent her childhood in an orphanage is thankful for it and for her kind if careless husband When Warren falls victim to his own negligence Rae Lynn undertakes a desperate act of mercy To keep herself from jail she disguises herself as a man named Ray and heads to the only place she can think of that might offer anonymity a turpentine camp in Georgia named Swallow Hill Swallow Hill is no easy haven The camp is isolated and squalid and commissary owner Otis Riddle takes out his frustrations on his browbeaten wife Cornelia Although Rae Lynn works tirelessly she becomes a target for Crow the ever watchful woods rider who checks each laborer s tally Delwood Reese who s come to Swallow Hill hoping for his own redemption offers Ray a small measure of protection and is determined to improve their conditions As Rae Lynn forges a deeper friendship with both Del and Cornelia she begins to envision a path out of the camp But she will have to come to terms with her past with all its pain and beauty before she can open herself to a new life and seize the chance to begin again
