**City Wilds** Terrell Dixon, 2002 The assumptions we make about nature writing too often lead us to see it only as a literature about wilderness or rural areas This anthology broadens our awareness of American nature writing by featuring the flora fauna geology and climate that enrich and shape urban life Set in neither pristine nor exotic environs these stories and essays take us to rivers parks vacant lots lakes gardens and zoos as they convey nature's rich disregard of city limits signs With writings by women and men from cities in all regions of the country and from different ethnic traditions the anthology reflects the geographic differences and multicultural makeup of our cities Works by well known and emerging contemporary writers are included as well as pieces from important twentieth century urban nature writers Since more than 80 percent of Americans now live in urban areas we need to enlarge our environmental concerns to encompass urban nature By focusing on urban nature writing the selections in *City Wilds* can help develop a more inclusive environmental consciousness one that includes both the nature we see on a day to day basis and how such nearby nature is viewed by writers from diverse cultural backgrounds

he committed the most stupendous of blunders Upon hearing these consoling words from his chum Larry who was sitting well up in the bow of the boat yawned and stretched himself The southern sun was inclined to be warm and Larry had not slept very well the two nights he had been aboard the motor boat But then it was nothing very singular to see the chubby lad yawning at any time of the day I m real glad we ve got all our supplies aboard he said aloud just to pass the time away and to keep awake while Phil was fussing with the engine preparatory to starting on their trip down stream I m tired of this dead little village that they call a town And tired of hearing what an awful lot of trouble we re bound to buck up against when we get two thirds of the way down to the gulf Wonder what they d say if they knew your dad owned most all of that property along this crazy old creek they call a river And that you even expect to stop off to interview that terrible McGee they talk about Oh my what was that now Larry ceased to stretch himself He even sat up his eyes wide open now as if he had noticed something away out of the usual and they were fastened on the stern of the boat where he had certainly seen something slip over the gunwale and vanish under a pile of blankets that had been airing Chums in Dixie St. George
