Swan Bride:

Swan Bride Betina Lindsey, 2015-10-20 Moira grew to womanhood in the realm of Myr wise in the arts of women and utterly innocent of the ways of men All of that changes tonight Moira wondered trembling She passes through the circle of stones into the world of men There she meets Wulfsun every mesmerizing inch a man hard muscled and tawny maned No Viking was more feared until he captures a maiden as beautiful as moonlit shadows and is enslaved for all time He would have her willing or not at all though his blood coursed hot with wanting And though Moira wore a golden collar of thralldom her desire for the mighty warrior was the greater bondage The Poetic Edda Paul Acker, Carolyne Larrington, 2002 This unique collection of essays applies significant critical approaches to the mythological poetry of the Poetic Edda a principal source for Old Norse cosmography and the legends of Odin Loki and Thor The volume also provides very useful introductions that sketch the critical history of the Eddas By applying new theoretical approaches feminist structuralist post structuralist to each of the major poems this book yields a variety of powerful and convincing readings Contributors to the collection are both young scholars and senior figures in the discipline and are of varying nationalities American British Australian Scandinavian and Icelandic thus ensuring a range of interpretations from different corners of the scholarly community The new translations included here make available for the first time to English speaking students the intriguing methodologies that are currently developing in Scandinavia An essential collection of scholarship for any Old Norse course The Poetic Edda will also be of interest to scholars of Indo European myth as well as those who study the theory of myth Unattainable Bride Russia Ellen Rutten, 2010-03-08 Throughout the twentieth century and continuing today personifications of Russia as a bride occur in a wide range of Russian texts and visual representations from literature and political and philosophical treatises to cartoons and tattoos Invariably this metaphor functions in the context of a political gender allegory which represents the relationships between Russia the intelligentsia and the Russian state as a competition of two male suitors for the former's love In Unattainable Bride Russia Ellen Rutten focuses on the metaphorical role the intelligentsia plays as Russia's rejected or ineffectual suitor Rutten finds that this metaphor which she covers from its prehistory in folklore to present day pop culture references to Vladimir Putin is still powerful but has generated scarce scholarly consideration Unattainable Bride Russia locates the cultural thread and places the political metaphor in a broad contemporary and social context thus paying it the attention to which it is entitled as one of Russia's modern cultural myths The Oxford Handbook of Slavic and East European Folklore Margaret H. Beissinger, 2025-03-28 The Oxford Handbook of Slavic and East European Folklore provides a broad survey of the folklore of the Slavic and East European world Russia Ukraine and the Baltics as well as Central and Southeastern Europe The volume contains forty three chapters that offer an array of distinctive yet comparable traditions and genres It includes folklore of the life cycle calendrical cycle traditions magic and folk belief folktales epic lyric songs proverbs and jokes local Romani Muslim and Jewish musical genres and material culture The

The Bedtrick Wendy Doniger, 2022-08-22

Somehow I woke up one day and found myself in bed with a stranger Meant literally or figuratively this statement describes one of the best known plots in world mythology and popular storytelling In a tour that runs from Shakespeare to Hollywood and from Abraham Lincoln to Casanova the erudite and irrepressible Wendy Doniger shows us the variety danger and allure of the bedtrick or what it means to wake up with a stranger The Bedtrick brings together hundreds of stories from all over the world from the earliest recorded Hindu and Hebrew texts to the latest item in the Weekly World News to show the hilariously convoluted sexual scrapes that people manage to get themselves into and out of Here you will find wives who accidentally commit adultery with their own husbands You will read Lincoln's truly terrible poem about a bedtrick You will learn that in Hong Kong the film *The Crying Game* was retitled *Oh No My Girlfriend Has a Penis* And that President Clinton was not the first man to be identified by an idiosyncratic organ At the bottom of these wonderful stories ancient myths and historical anecdotes lie the dynamics of sex and gender power and identity Why can't people tell the difference in the dark Can love always tell the difference between one lover and another And what kind of truth does sex tell Funny sexy and engaging The Bedtrick is a masterful work of energetic storytelling and dazzling scholarship Give it to your spouse and your lover

Invulnerability, Soothsayer, Transformation, Tricksters. **Europa's Fairy Book** Joseph Jacobs, 2020-07-24. Excerpt: Ever since almost exactly a hundred years ago the Grimms produced their Fairy Tale Book, folklorists have been engaged in making similar collections for all the other countries of Europe outside Germany, till there is scarcely a nook or a corner in the whole continent that has not been ransacked for these products of the popular fancy. The Grimms themselves and most of their followers have pointed out the similarity or one might even say the identity of plot and incident of many of these tales throughout the European Folk Lore field.

Storytelling Josepha Sherman, 2015-03-26. Storytelling is an ancient practice known in all civilizations throughout history. Characters, tales, techniques, oral traditions, motifs, and tale types transcend individual cultures; elements and names change, but the stories are remarkably similar, with each rendition highlighting the values and concerns of the host culture. Examining the stories and the oral traditions associated with different cultures offers a unique view of practices and traditions. *Storytelling: An Encyclopedia of Mythology and Folklore* brings past and present cultures of the world to life through their stories, oral traditions, and performance styles. It combines folklore and mythology, traditional arts, history, literature, and festivals to present an overview of world cultures through their liveliest and most fascinating mode of expression. This

appealing resource includes specific storytelling techniques as well as retellings of stories from various cultures and traditions **Good Words** ,1905 **Fables in Song** Robert Lytton,2023-07-20 Reprint of the original first published in 1874 Fables in Song Edward Robert Bulwer Lytton Earl of Lytton,1874 Slade Blood Moon Kimila Taylor,2021-04-08 Please note This book was originally published as Slade The First Touch by Linzi Basset Now with a new title under penname Kimila Taylor There s just something about the supernatural that draws me The excitement of the unknown and the unreal that allows me to let my imagination run wild As with all my paranormal stories this one has its own twist and is slightly different to most vampire and werewolf tales out there The Alastor Chronicles is a series around the lives of The Alastor King Slade Gruber and his two princes Wade and Jax Wagner In Slade Blood Moon book 1 in this tetralogy we meet King Slade and his intended mate Chiara Silas She said My name is Chiara Silas and I am a vamp were slayer My only goal in life is to hunt these grotesque undead creatures to avenge the killing of my innocent siblings So there I was on the run minding my own business while I hid in his truck I honestly thought he was a harmless trucker until he had me naked and kissing in the back of his truck Things went south from there He turned out to be a bloody king and I turned out to be Dracula s relative ye Gods Then he started talking about mating for eternity I mean don t get me wrong He s delicious to look at and has that Master of the Universe thing going for him But I prefer my men humbler and with fewer teeth Did I mention he s part vampire amongst other things Also he looks at me like he wants to eat me whole Much as I d like to end up as his dinner I have a job to do The Red Moon marriage is right around the corner and I have some serious ass to kick He said My name is Slade Gruber and I am the King of Alastor Protectors I am here to protect humans and preserve the balance of humanity So there I was minding my own business when this red haired hellion trespassed on my truck held a gun to my balls and silently begged me to make love to her Things got interesting from there She s gorgeous and funny She also turned out to be my mate preordained by a long standing legend Sigh Don t get me wrong I am hungry and she looks good enough to eat but I have more pressing problems right now Like the upcoming Red Moon marriage and the mutiny in various vampire covens All hell is about to break loose and my spitfire mate is in the middle of it Curious about what happens next Why don t you take a ring side seat and join Slade Chiara on this thrilling ride Because if you think you know how this ends think again
