## Swan Watch:

**Swan Watch** Budd Schulberg, 1975      **The Swan's Nest** Laura McNeal, 2024-03-12 An engrossing novel about the unlikely love affair between two great 19th century poets Elizabeth Barrett and Robert Browning On a bleak January day in 1845 a poet who had been confined to her room for four years by recurrent illness received a letter from a writer she secretly idolized but had never seen I love your verses with all my heart dear Miss Barrett Robert Browning wrote and I love you too Elizabeth Barrett was ecstatic She was famous for her poetry but too frail for the kind of travel that Browning used to fuel his unsuccessful innovative poems which were full of spellbinding villains The two began a passionate correspondence but Elizabeth kept delaying a visit What would happen when he saw her in person Could she trust his emphatic promises And would she survive if she secretly turned over the rights to all the money she earned to a man who promised he could take her to the bright healing sun of Italy McNeal brilliantly dramatizes the perils of falling in love in the Victorian world where family duty was the most important value of all married women could not own property and the fight for freedom and equality was funded by sugar crushed and boiled in the West Indies Lyrically written as rich as a Brontë novel *The Swan's Nest* will immerse readers in the radical hope of two people who believed love in practice could be as enduring and faithful as love in poetry      *The Ambidextrist* Peter Rock, 2016-04-15 This provocative novel follows Scott a lonely drifter who earns money as a medical test subject and finds shelter in abandoned buildings on the riverfront He first befriends Ray a mysterious homeless man whose tenderness can't hide his unsavory tastes next he sets four adolescent boys on a series of increasingly dangerous dares As these relationships develop and tangle Scott gains insight into various lives and proves he can outlast any bad first impression      *Iowa City* Benjamin Franklin Shambaugh, 1893      *Swan's War* Randy Sanders, 2025-03-21 After Swan Samson's oldest brother Isaac is murdered Swan a twenty year old Georgian goes to war to find his brother's killer and exact the revenge required by his notions of duty and honor Swan's War is the story of Swan's internal struggle in which the suffering of war and the slavery of revenge transform him completely Swan easily convinces his two younger brothers to go to war with him However his twin brother Jacob is not as easily swayed Jacob is in love with a slave girl and has no interest in fighting for the Confederacy He also disdains Swan's judgments about duty and honor Nevertheless Swan persuades his twin brother to join the war and search for Isaac's murderer by appealing to Jacob's close relationship with their slain brother Jacob will search for Isaac's killer while Swan seeks glory and revenge to repair his sullied reputation which was compromised when he accidentally killed his best friend at the age of thirteen During the war Swan watches his younger brothers die loses his fiancée suffers grievous wounds endures a year in a POW camp and pursues fights and kills the man he thought had murdered his brother only to find out that the real killer is someone he had known his whole life While Swan's War is set during the Civil War and written by a historian it is not really about that conflict Rather it is a character driven story of the protagonist's war within himself The story includes strong female and enslaved characters as well as family

disputes The protagonist and several of the main characters are based on the author's ancestors *Essentials of Middle and Secondary Social Studies* William B.
