C. Nash,2011-01-04 The continually expanding popularity of Anguilla especially with the rich and famous has caught everyone by surprise After all at first glance Anguilla looks to be nothing special It s a long narrow flat island 16 miles long by three miles wide with constant droughts and a notable absence of the lush rainforests beautiful mountains rushing rivers or deep canyons that normally

provide all the activities today's tourist clamors for. But Anguilla's trump card is its beaches. Spectacular even in this region where above average beaches are the norm. Anguilla's wide swaths of sparkling white sand and bright turquoise waters teeming with tropical fish are indeed something special. It's a point well taken by island planners and developers who have built luxury resorts on those beaches. Many of those resorts quickly qualified as prime hotels of the world. Properties like Cap Juluca, CuisinArt and Malliouhana are routinely ranked at the top of the best lists in Caribbean Travel; their units are sold and now are available for vacation rentals. They have since been joined by other impressive developments among them the St Regis Temenos, the Viceroy and Cerulean, and there are a number of private individual villas dotting the landscape all over the island. These new homes not only add to the available rooms for visitors but also provide a significant boost to the local economy as contractors, interior designers and support service providers keep employment and retail sales high. Anguillians have a long history of looking after each other and visitors. They enjoy sharing their island with visitors and you'll find you are received with warmth and goodwill. Their history is rich with examples of jollifications or merry festivities where a whole village gathered to plant crops, raise a house or build a boat as a team. Everyone was there to help each other and money was never exchanged. This spirit of oneness extended into an understanding of hospitality in the truest sense of the word. Make sure you plan activities that take you out of your hotel and into the villages so you can meet some of the belongers as they call themselves. More than any other Leeward Island, Anguilla has a wealth of beautiful villas in all sizes and shapes along with world class hotels, five star restaurants, lots of activities and incredible beaches. If there aren't enough activities, shopping, restaurants or nightlife for you, St Martin is only a short ferry ride away.

St. Kitts & Nevis Travel Adventures KC. Nash, 2011-04-15

Up until a few years ago, St Kitts and Nevis were the type of islands that tourists delighted in discovering. Seemingly untouched by modern times, they seemed like the old Caribbean: small, intimate, hotels, pristine beaches, uncluttered roads with acres of cane fields and rainforests dominating the landscape. But now two large chain hotels, the Marriott in St Kitts and the Four Seasons in Nevis, have broadened the options. Along with the resorts have come three golf courses, a new cruise ship port area with duty free shops and a marine park. But you still find hints of the old laid back islands here, especially in the delightful plantation inns on both islands. These small hotels built around historical buildings and sugar mills still have a colonial charm. They are furnished with Caribbean antiques and emphasize the old fashioned standards of warm, personalized service. So it is possible to sample both the charm of the old world and the activities of the new. This is a uniquely valuable guide to these islands excerpted from our complete guide to the Leeward Islands with complete details on where to stay, where to eat and what to do while you are there. Maps and photographs throughout. If you stay on St Kitts, be sure to allow at least one day to visit Nevis, which is just a short ferry ride or a 10 minute flight away. The main port city there, Charlestown, is a study in historic preservation. Many of the skirt and blouse structures where the first level is stone and the second is wood siding are still standing and are now

being used for offices and stores The stately old churches such as St John s Anglican and the historic Cottle Church reinforce the sense of history In addition the Nevis Botanical Gardens offer a beautiful respite from the world where you can learn about the unique plants of the Caribbean and enjoy the beauty of carefully designed displays of orchids roses bromeliads and fruit trees While the wild vervet monkeys are endemic to both islands they are more frequently sighted in Nevis running across roads and the golf course at the Four Seasons or sitting in trees
