**Algot E. Strand**

## Swedish Americans:

**A History of the Swedish-Americans of Minnesota** Algot E. Strand, 1910     *A History of the Swedish-Americans of Minnesota* Algot E. Strand, 1910     *A Folk Divided* Hildor Arnold Barton, 1994 What happens to a people when it becomes divided and separated through a great overseas migration how do the two parts of such a divided people relate to each other What ideas do they have regarding each other as the process continues and as time and circumstance cause them to develop in separate ways of their own The purpose of this book is to seek answers to such questions in the case of the Swedes during the period of their great migration between roughly 1840 and 1940 Pref     American Swedish '73 Leif Sjöberg, 2008-04 The 1973 edition of the journal published by the American Swedish Historical Foundation Contents The Swedish American of the Year Nordstjernan Svea 100 Gerhard T Rooth Thyra Ferre Bjorn Bishop Hill Illinois Robert Owen Joe Hill Sture Lindmark s Swedish America 1014 1932 Emigration Research at Uppsala Five Dissertations Scandinavica at Claremont College Dialect Hunters in Swedish America Maryland My Maryland The Other Emigrants The House of Immigrants Vaxja Varmland s Emigrant Register Texas Swedish Pioneers Assoc Maine s New Sweden Historical Museum The Erlander Home Museum Sweden s Sexual Code The Swedish Council of America Book Reviews     **Swedish-American Borderlands** Dag Blanck, Adam Hjorthén, 2021-08-24 Reframing Swedish American relations by focusing on contacts crossings and convergences beyond migration Studies of Swedish American history and identity have largely been confined to separate disciplines such as history literature or politics In Swedish American Borderlands this collection edited by Dag Blanck and Adam Hjorthén seeks to reconceptualize and redefine the field of Swedish American relations by reviewing more complex cultural social and economic exchanges and interactions that take a broader approach to the international relationship ultimately offering an alternative way of studying the history of transatlantic relations Swedish American Borderlands studies connections and contacts between Sweden and the United States from the seventeenth century to today exploring how movements of people have informed the circulation of knowledge and ideas between the two countries The volume brings together scholars from a wide range of disciplines within the humanities and social sciences to investigate multiple transcultural exchanges between Sweden and the United States Rather than concentrating on one way processes or specific national contexts Swedish American Borderlands adopts the concept of borderlands to examine contacts crossings and convergences between the nations featuring specific case studies of topics like jazz architecture design genealogy and more By placing interactions entanglements and cross border relations at the center of the analysis Swedish American Borderlands seeks to bridge disciplinary divides joining a diverse set of scholars and scholarship in writing an innovative history of Swedish American relations to produce new understandings of what we perceive as Swedish American and Swedish American Contributors Philip J Anderson North Park U Jennifer Eastman Attebery Idaho State U Marie Bennedahl Linnaeus U Ulf Jonas Björk Indiana U Indianapolis Thomas J Brown U of South Carolina Margaret E Farrar John Carroll U Charlotta

 Environment** ,1980 Library of Congress Subject Headings Library of Congress. Office for Subject Cataloging  
 Policy,1992 **Swedish Film** Mariah Larsson,Anders Marklund,2012-01-03 A compilation of carefully selected articles  
 written by international film scholars this record provides an in depth look into the history of Swedish film This scholarly  
 account covers various phenomena including the early screenings at the turn of the century Swedish censorship the golden  
 age of silent films 1930s comedies and melodramas documentaries pornography and experimental films In addition this  
 volume examines the work of important contributors such as Ingmar Bergman Stefan Jarl and Peter Weiss and discusses film  
 policies of the new millennium **Immigrants in American History** Elliott Robert Barkan,2013-01-17 This encyclopedia is  
 a unique collection of entries covering the arrival adaptation and integration of immigrants into American culture from the  
 1500s to 2010 Few topics inspire such debate among American citizens as the issue of immigration in the United States Yet it  
 is the steady influx of foreigners into America over 400 years that has shaped the social character of the United States and  
 has favorably positioned this country for globalization Immigrants in American History Arrival Adaptation and Integration is a  
 chronological study of the migration of various ethnic groups to the United States from 1500 to the present day This  
 multivolume collection explores dozens of immigrant populations in America and delves into major topical issues affecting  
 different groups across time periods For example the first author of the collection profiles African Americans as an example  
 of the effects of involuntary migrations A cross disciplinary approach derived from the contributions of leading scholars in  
 the fields of history sociology cultural development economics political science law and cultural adaptation introduces a  
 comparative analysis of customs beliefs and character among groups and provides insight into the impact of newcomers on  
 American society and culture **Swedish Exodus** Lars Ljungmark,1996-04-01 America fever gripped Sweden in the middle  
 of the nineteenth century seethed to a peak in 1910 when one fifth of the world s Swedes lived in America cooled during  
 World War I and chilled to dead ash with the advent of the Great Depression in 1930 Swedish Exodus the first English  
 translation and revision of Lars Ljungmark s Den Stora Utvandringen recounts more than a century of Swedish emigration  
 concentrating on such questions as who came to America how the character of the emigrants changed with each new wave of  
 emigration what these people did when they reached their adopted country and how they gradually became Americanized

Ljungmark's essential challenge was to capture in a factual account the broad sweep of emigration history. But often he narrows his focus to look closely at those who took part in this mass migration. Through historical records and personal letters, Ljungmark brings many of these people back to life. One young woman, for example, loved her parents but loved America more. I never expect to speak to you in this life. Your loving daughter unto death. Like most immigrants, she never expected to return. Another immigrant wrote back seeking a wife. I wonder how you have it and if you are living. Are you married or unmarried? If you are unmarried, you can have a good home with me. Ljungmark also focuses closely on some of the leaders: Peter Cassel, a liberal temperance supporter and free church leader whose community in America prospered; Hans Mattson, a colonel in the Civil War and founder of a colony in Minnesota; Erik Jansson, a book burner, self-proclaimed messiah, and founder of the Bishop Hill Colony; Gustaf Unonius, a student idealist and founder of a Wisconsin colony that faltered. The story of Swedish immigrants in the United States is the story in miniature of the greatest mass migration in human history: that of thirty-five million Europeans who left their homes to come to America. It is a human story of interest not only to Swedes but to everyone.

**American Swedish Historical Museum Year Book 1944**, *Encyclopedia of American Folklife* Simon J. Bronner, 2015-03-04. American folklife is steeped in world cultures or invented as new culture, always evolving yet often practiced as it was created many years or even centuries ago. This fascinating encyclopedia explores the rich and varied cultural traditions of folklife in America, from barn raisings to the Internet, tattoos, and Zydeco, through expressions that include ritual, custom, crafts, architecture, food, clothing, and art. Featuring more than 350 A-Z entries, *Encyclopedia of American Folklife* is wide-ranging and inclusive. Entries cover major cities and urban centers, new and established immigrant groups, as well as native Americans. American territories such as Guam and Samoa, major issues such as education and intellectual property, and expressions of material culture such as homes, dress, food, and crafts. This encyclopedia covers notable folklife areas as well as general regional categories. It addresses religious groups reflecting diversity within groups such as the Amish and the Jews, age groups both old and young, gangs, and contemporary folk groups, skateboarders, and psychobillies, placing all of them in the vivid tapestry of folklife in America. In addition, this resource offers useful insights on folklife concepts through entries such as community and group, and tradition and culture. The set also features complete indexes in each volume as well as a bibliography for further research.

**Swedish Chicago** Anita Olson Gustafson, 2018-12-14. Between 1880 and 1920, emigration from Sweden to Chicago soared, and the city itself grew remarkably. During this time, the Swedish population in the city shifted from three centrally located ethnic enclaves to neighborhoods scattered throughout the city. As Swedes moved to new neighborhoods, the early enclave-based culture adapted to a progressively more dispersed pattern of Swedish settlement in Chicago and its suburbs. Swedish community life in the new neighborhoods flourished as immigrants built a variety of ethnic churches and created meaningful social affiliations in the process, forging a complex Swedish American identity that combined their Swedish heritage with their new

urban realities Chicago influenced these Swedes lives in profound ways determining the types of jobs they would find the variety of people they would encounter and the locations of their neighborhoods But these immigrants were creative people and they in turn shaped their urban experience in ways that made sense to them Swedes arriving in Chicago after 1880 benefited from the strong community created by their predecessors but they did not hesitate to reshape that community and build new ethnic institutions to make their urban experience more meaningful and relevant They did not leave Chicago untouched they formed an expanding Swedish community in the city making significant portions of Chicago Swedish This engaging study will appeal to scholars and general readers interested in immigration and Swedish American history

**The American Midwest** Andrew R. L. Cayton, Richard Sisson, Chris Zacher, 2006-11-08 This first ever encyclopedia of the Midwest seeks to embrace this large and diverse area to give it voice and help define its distinctive character Organized by topic it encourages readers to reflect upon the region as a whole Each section moves from the general to the specific covering broad themes in longer introductory essays filling in the details in the shorter entries that follow There are portraits of each of the region s twelve states followed by entries on society and culture community and social life economy and technology and public life The book offers a wealth of information about the region s surprising ethnic diversity a vast array of foods languages styles religions and customs plus well informed essays on the region s history culture and values and conflicts A site of ideas and innovations reforms and revivals and social and physical extremes the Midwest emerges as a place of great complexity signal importance and continual fascination
