Michael S. Horton,2008-01-01 In this final volume of a four volume series Michael Horton explores the origin mission and destiny of the church through the lens of covenantal theology Arguing that the history of Israel and the covenant of grace provide the proper context for New Testament ecclesiology Horton then shows how the church is constituted through the ascension of Christ the Pentecost and the Parousia and how it continues to live by the Word and sacraments Horton s goal is to demonstrate the potential of a covenantal model for integrating the themes of the church as people and as place with an urgent concern for contemporary practice      *The Doctrine of God and the Crisis of Modernity* Jared Michelson,2025-05-15 In this incisive work Michelson traces contemporary debates on the doctrine of God back in time to the philosophical critiques of Hume and Kant Schleiermacher and Barth each offered accounts of the doctrine of God This book offers a critical evaluation of these accounts and demonstrates how they were responding to early modern critiques of the possibility of

knowing God Michelson also leverages Charnock's account constructively to demonstrate how this earlier writer has the theological resources to tackle those same critiques. Not content to stop there, Michelson also highlights how these critics built their arguments on faulty interpretations of classical theological tradition. In doing so, this book carves out a provocative constructive path forward for contemporary theological reflection on the doctrine of God. [The Paradoxical Breakthrough of Revelation](#) Uwe Carsten Scharf, 2015-02-06 No detailed description available for The Paradoxical Breakthrough of Revelation. *John Webster's Vision of Moral Agency* W. Jeremy Jones, 2025-05-15 This book explores John Webster's contribution to one of the most important and contested topics in Christian theology: the relationship between divine and human agency. By examining the theme of moral ontology in Webster's constructive dogmatics, this work sheds light on his contribution to this crucial subject. Jones achieves this through close study of Webster's texts ranging from his early middle and late periods. He reveals that Webster's moral ontology is not only a major theme in his thought but is among his most significant contributions to contemporary systematic and moral theology. As the first book-length study of a central theme in Webster's ethics, this text will be of interest to Webster scholars and those teaching courses in late modern systematic theology and theological ethics. **Divine Impassibility and the Mystery of Human Suffering** James Keating, O.P. White, Thomas Joseph, 2009-07-14 James F. Keating and Thomas Joseph White have gathered here a selection of essays that consider how God's suffering or lack thereof can relate to our redemption from and through human suffering. The contributors, Catholic, Protestant, and Orthodox, tread carefully but surely over this thorny ground, defending diverse and often opposing perspectives. *Divine Impassibility and the Mystery of Human Suffering* is an excellent contribution to the latest stage in this difficult and important theological controversy. **BOOK JACKET** [Wolfhart Pannenberg on Human Destiny](#) Dr. Kam Ming Wong, 2013-05-28 Based on one of the greatest living theologians, Wolfhart Pannenberg, this book is the first comprehensive study of human destiny. Mapping out the movement of humanity over the course of its history to its common destiny from creation through sin and ethics to eschatology, the book also examines the extent to which scholars such as Herder have influenced Pannenberg's work in this important area and shows how Pannenberg's project on ethics is related to human destiny. **His Word 7 Year Work: Biblical Roots by Former Skeptic, Covenantal and Dispensational Theologies** Brent E. Parker, Richard J. Lucas, 2022-02-08 How do the Old and New Testaments relate to each other? What is the relationship among the biblical covenants? In this volume in IVP Academic's Spectrum series, readers will find four contributors who explore these complex questions, each making a case for their own view and responding to the others' views to offer an animated yet irenic discussion on the continuity of Scripture.
