Satan's Strategy to Curse Christ's Congregation Andy Woods, Keith A. Sherlin, 2010-10-01 Dr Sherlin has worked diligently to show the importance of elder rule What he has done is restore us to sound principles that come straight from the

Bible His book is a must for every assembly that wants to remain strong rather than go the way of the culture I cannot recommend his book enough Dr Mal Couch In this work the author sets out the biblical case for congregations being ruled by a plurality of Godly men known as elders This work is meticulously footnoted and documented making it an invaluable resource for the layman and scholar alike Dr Andy Woods Keith writes in a manner that is precise and with a fluidity of understanding of current day church leadership The tone of his writing is shared in love and there are no judgmental undertones that permeate his thoughts I would wholly recommend this reading to all who profess Christ as their Lord Pamela Rogers Dr Keith has presented a solid case for authoritative leadership in the church His book is a call for us to return to biblical leadership and be presbyters instead of politicians Dr C V Varnado Do you believe that your local assembly is full of conflict confusion and or compromise Are you familiar with the strategy of Satan and his methods to undermine the grace love and truth of Christ s body This work makes a clear and convincing case that many problems in congregations occur because the body has adopted a flawed foundation of church government and doctrine that is more political than biblical How much or to what degree has Satan made inroads into your spiritual family and leadership body Read and judge for yourself and if necessary seek to apply the prescribed remedy to the problem

**King James Only Revised Dispensationalism** David E. Howe, 2008-06-01 In recent years there has been rise in popularity and visibility of the debate about the last things Preterists and Futurists have published books articles and even movies promoting their respective views This debate has elevated the interest of the Christian public in eschatological issues Along with the increased interest in eschatology there has been a rise in popularity of the Preterist view which holds that most or all of the prophecies about Christ s coming have already been fulfilled that the second coming took place in 70 AD Most of the discussion from those who espouse the Preterist view however revolves around certain passages in the New Testament and their treatment of Old Testament passages is sporadic and selective The importance of the book of Daniel in these discussions cannot be overstated However most commentaries on Daniel from a Futurist perspective have not dealt with the Preterists interpretations of the key prophetic passages There simply is no detailed commentary on the book of Daniel that addresses the Preterist interpretations of this important book This book is a commentary on the entire book of Daniel from a Futurist perspective that specifically addresses the Preterist interpretations of the key prophetic passages This is not a book that selects passages out of the context of the book and attempts to explain their prophetic significance Rather this is a commentary on the entire book of Daniel that places these critical prophetic passages in their literary and historical context and then deals with the various interpretations of these passages as they fit into the context of the book as a whole     **Bible Prophecy Answer Book** Ron Rhodes, 2017-03-01 Studying Prophecy Can Change Your Life Strengthen your faith and find real hope for the future in this extensive resource that provides concise answers to your most burning questions about Bible prophecy and the end times Topics include everything from how to interpret prophecy to clarifying the perplexing specifics of the rapture the antichrist and the afterlife Respected Bible scholar Ron Rhodes addresses questions many are asking such as Is it important

that we be aware of the signs of the times Do Christians agree about the role of America in Bible prophecy Is there biblical evidence that the church will escape the tribulation period Will only believers enter into Christ s millennial kingdom In what way will the heavens and earth be made new Whether you re looking for quick instruction or you re eager to go deeper this accessible Q A style guide will help you navigate prophetic Scripture passages and better understand matters of eternal significance *The Apocalypse Code* Hank Hanegraaff,2010-09-20 Hank Hanegraaff reveals the code to Revelation

Breaking the code of the book of Revelation has become an international obsession The result according to Hank Hanegraaff has been rampant misreading of Scripture bad theology and even bad politics and foreign policy Hanegraaff argues that the key to understanding the last book of the Bible is the other sixty five books of the Bible not current events or recent history and certainly not any complicated charts *The Apocalypse Code* offers sane answers to some very controversial questions What does it mean to take the book of Revelation and the rest of the Bible literally Who are the Antichrist and the Great Whore of Babylon and what is the real meaning of 666 How does our view of the end times change the way we think about the crisis in the Middle East Are two thirds of all Jews really headed for an apocalyptic holocaust *The Apocalypse Code* is a call to understand what the Bible really says about the end times and why how we understand it matters so much in today s world Provocative and passionate this fascinating book is a must read for everyone who s interested in end times controversies Lee Strobel Author *The Case for the Real Jesus* This book is a withering and unrelenting critique of the positions of apocalyptic enthusiasts Tim LaHaye Every fan of the *Left Behind* series should read this book The fog will clear and common sense will return to our reading of the Bible Gary M Burge Professor of New Testament Wheaton College and Graduate School **The Revelation Commentary** Dennis James Woods,2025-04-27 Jesus prophesied that the great

tribulation would be an unprecedented time of distress that would never occur again Nothing in history compares to what the Bible declares is coming on this world The book of Revelation gives specific details of this time that no other book in the world contains With all its vital information why is it that so many Christians do not read Revelation Have popular rapture theories convinced many that Revelation does not apply to the church Would God providentially place Revelation in the New Testament if the church really didn t need it In this powerful verse by verse commentary Dennis James Woods presents a unique Prewrath interpretation of Revelation critiquing the widely accepted Pretribulation rapture theory The commentary argues that Revelation was written for the church and that much of its content directly applies to believers Woods provides historical context theological analysis and practical insights offering an alternative eschatological framework that challenges traditional dispensational thought while emphasizing the necessity of preparing for end time events Revelation is the only book in the world with specific details that tell us where this world is heading It s the only book in the Bible that begins with a special blessing for those who read it If the church is to be raptured before the Antichrist comes praise God But what happens if that s wrong Then the book of Revelation marginalized by so many will become a vital guide for prophetic events

to come     **New Babylon Rising** Ron Rhodes, 2019-08-13 What New Babylon Reveals to Us About the End Times What will the world look like in the last days One significant clue the Bible offers is a fascinating look at New Babylon More than one tenth of the book of Revelation is devoted to prophecies about this city the center of the antichrist s world government But are we to understand these prophecies symbolically or literally In *New Babylon Rising* trusted prophecy expert Ron Rhodes offers insight into what God s Word tells us about the worldwide influence of New Babylon in the end times Take a look at what prophetic Scripture says and discover the rampant paganism and evil that will mark this infamous city learn about the convergence and fulfillment of many ancient prophecies about the tribulation and second coming of Christ apprehend that God not only sees the future but has determined how it will unfold As you explore the Bible s prophecies about the last days you ll discover that no matter how uncertain the future looks you can have peace knowing that God is in full control of all things     *Israel on High Alert* Ron Rhodes, 2018-02-06 The Middle East has long been spiraling out of control causing global uncertainty and fear What does this turmoil mean for Israel and why has peace been so elusive In *Israel on High Alert* author and Bible teacher Ron Rhodes offers a clear view of the situation and future faced by Israel You will explore the history of the current Middle East conflict what Scripture says about the ongoing battle and God s plans for Israel how the events in the Middle East affect us today Touching on everything from mainstream and radical Islam to the current efforts to rebuild the Jewish temple this book will guide you through the past present and God ordained future for the nation of Israel Find assurance in knowing that even amid chaos and uncertainty God s plan is already in action and it will never fail
