Wrong Place Wrong Time David P. Perlmutter,2014-03-23 This is the large print version of Wrong Place Wrong Time Having lost everything I leave memories of a London police cell behind me and head for Spain with its promise of adventure and fun Little do I know that I m about to be thrust into the most terrifying time of my life WRONG PLACE WRONG TIME is a gripping true life story of an unimaginable nightmare and how my ticket to a new life turns out to be a one way ticket to hell Please leave a review a positive or even a negative one and if you disliked the story so much that you wish to have a refund then I will be more than happy to reimburse you Thank you and hope you enjoy the book WRONG PLACE WRONG TIME WAS 1 BESTSELLER in TRUE CRIME in America 1 BESTSELLER in FACTUAL in Spain 3 BESTSELLER in TRUE CRIME in France Across Amazon WorldWide this book has so far received 128 x 5 star and 40 x 4 star reviews Some of the reviews 5 I began to think of it being made into a film Who would play David Oh that s easy a brilliant actor such as Tom Hardy would be perfect 5 WRONG PLACE WRONG TIME is the first book written by David Perlmutter what a fantastic story he has to tell 5 I disagree with David s perception of himself as a writer Wrong Place Wrong Time is written beautifully It is a heartfelt amazing story of courage and stamina 5 I am a fan of biography autobiography true crime fact based literature This book had elements of all these genres it read like a thriller David s style of writing makes you feel like he is just a friend telling a story but just when you are thinking you are going to get a nice coming of age story beer women get involved and then the plot begins to twist This is a edge of your seat can t put it down PERFECT read I am a reader a thinker this one kept me doing both Do not for a moment think this is a man s book ANYONE who likes a great read will enjoy this one the girls in the book club can t put it down my 80 year old dad loved it any 20 something on the verge of traveling should read this cautionary tale Well done 5 This is an incredible story one of the few books that leave you cursing your surroundings for constantly distracting you 5 I would not be surprised to see this book be turned into a movie some day If it does I ll be one of the first in line to watch it 5 A Thrilling Gripping True Story I don t normally read true stories but this one grabbed my attention kept me hooked the entire way through We all make mistakes in our lives but for Dave his mistakes will never be forgotten His

mistakes also led to acts of Heroism which most of us could never dream of achieving This is an incredible honest account of one man s journey which changed his life forever 5 I won t ruin the suspense by telling you what happens next but suffice it to say it will bring to mind some scenes from Midnight Express 4 Brilliant read a real page turner fast pace and very exciting loads of great characters Recommend this book Great true story well written 4 I enjoyed this book I felt that I was on that fateful journey with him through the fear and panic he went through Well worth the read 5 What a gripping story I know it was based on the truth which makes it even better A totally gripping story all the way until the last page Please don t hesitate to enjoy the emotional journey in these pages 4 This book has inspired me to tell my own story Thank you David for the inspiration 5 This book passed my gotta peek ahead test At least twice I was forced to cheat and look ahead a few pages because I couldn t stand not knowing what was coming 5 I have always liked memoirs from ordinary people not celebrities and this one certainly didn t disappoint It had more drama than a Hollywood movie Cheap Lives Antony Sher,1996-06-03
