statewide assessments really do what they are supposed to do Through interviews with over three hundred teachers and  
administrators Hillocks examines whether state writing tests in Illinois Kentucky Oregon New York and Texas actually  
improve students ability to express their thinking in writing Ultimately Hillocks argues that the majority of existing tests  
actually have a harmful effect on the way students are taught to write In addition to providing analyses of assessments that  
do not encourage good writing The Testing Trap contrasts them to those that do Concluding with practical procedures for
