Table Talk With Jesus:

Jesus' Table Talk Scott Townsend, 2019-04-23 This book will guide the reader through a variety of passages of Scripture recorded in the Gospel of Luke that placed Jesus at the dinner table The stories represented in the passages of Scripture demonstrate a number of situations into which Jesus was either thrust or into which he placed himself My desire with this book is to encourage the reader to come back to what is important the table but more crucially to recognize the importance of engaging people around a proverbial table with whom you may not normally associate The purpose of this book is to challenge your thinking as a believer regarding people's needs and how you might meet them and to challenge your view of contemporary Christianity and the hypocrisy with which we are so often accused Finally I hope to make Jesus's table talk a welcome part of your faith and life as a believer

Christ's Table Talk bp. Eugene Russell Hendrix, 1908

Table Talk Mike Graves, 2017-10-24 For nearly two thousand years followers of Jesus have gathered in churches to eat a meal called Communion in his memory In *Table Talk* Mike Graves claims if we could travel back to those earliest Christian gatherings we would realize we are not just two thousand years removed we are light years removed from how they ate when gathered because eating was why they gathered in the first place a kind of first century dinner party Four characteristics of their Communion practices would leap out at us traits that are scattered throughout the New Testament but that often go unnoticed how the meal was part of a full evening together promoting intimacy how it was a mostly inclusive affair everyone welcome at the table how it was typically festive more like a dinner party and how afterwards they enjoyed a lively conversation on a host of topics But *Table Talk* explores more than just Communion practices because a new way of doing church is happening around the world gatherings more horizontal than vertical For two thousand years Christians have oriented themselves toward God in the presence of others now a growing number of congregations part of the dinner church movement are orienting themselves toward each other in the presence of God This book tells their story and helps us rethink our own

Table Talk Jeff Lucas, 2019-09-01 In Jesus day a meal was loaded with significance In these brief but powerful daily devotions you'll get to eavesdrop on those meals and as you do you'll be reminded that you are invited to dine with Christ today No fewer than ten meals are recorded in Luke's gospel alone and it's been said that in Luke Jesus is either going to a meal sitting at a meal or coming from a meal No wonder that when Jesus critics proclaimed The Son of Man came eating and drinking it was meant as a slur on His character So why did Jesus do it Because those meals mattered Those kinds of events mattered then and they matter now and there is much we can learn from Jesus and His table talk Bible Daily notes are written by Jeff Lucas to help you apply the lessons of God's Word daily Each day and with each devotion Jeff uses his signature wit and wisdom to reveal insights and practical application you can use in your own life Each Bible Daily devotion takes only a few minutes to read but the lessons learned can last a lifetime
