

8 Quick Table Tennis Rules to Remember!

You must show the ball in an open palm before serving

If the ball hits the net at ANY time and doesn't go over - the other player wins a point

You must hit the ball down onto your side of the table when serving - don't drop the ball and then hit it over!

After the serve, you must only hit the ball onto your opponents side of the table

The ball must bounce on both sides of the table when serving

You must not volley the ball during open play. If you volley the ball, your opponent will automatically win the point

When serving, if the ball hits the net and goes over, it is a LET and the serve is retaken

Your opponent will win a point if you put your hands onto the table. Keep your hands away!
