Tabloid From Hell The Rise:

Tabloid from Hell Michael A. Raffaele, 2002 Love us Hate us Read us That was the slogan of The Trentonian the scrappy underdog tabloid newspaper from Trenton N J The newspaper combined a mix of hard hitting news steamy sex stories and solid sports to produce massive sales in competitive market The paper represented the heart and soul of the city It was truly No 1 in the hearts of the people In 1998 The Trentonian took a tragic turn a turn in which the paper likely will never recover It ditched its core readers It turned its back on Trenton Tabloid From Hell chronicles the rise and fall of a beloved newspaper It details how a once relevant newspaper turned irrelevant How a newspaper everybody talked about transformed into a dull lifeless and awkward product on the decline The Trentonian lost its voice So did its readers *Tabloid From Hell*(4th Edition) Michael Raffaele, 2002-04-04 *Iron Editor* Michael A. Raffaele, 2002-08-29 Advocacy journalism is decimating newspapers Since Watergate newspapers have lost touch with the readers by turning into boring preachy and lifeless publications Today s editors want to win awards not connect with readers As newspaper executives are trying to save the world they are killing an industry And fewer readers are relying on newspapers as their primary source of information Editors around the country are desperately scrambling for answers by turning to conferences readership studies and surveys for help But the drastic drop continues In the IRON EDITOR author Michael A Raffaele provides a pull no punches analysis of the newspaper industry and offers vital steps needed to boost sales at the newsstands Raffaele reveals his concept of an ideal editor the Iron Editor Time is running out for editors The industry is in peril Only an Iron Editor can save it *The Funeral Elegy and the Rise of English Romanticism* John William Draper, 1929 Examines English funeral elegies and how they contributed to the birth of Romanticism **The Rise and Fall...and Rise Again** Gerald Ratner, 2010-02-05 In 1991 Gerald Ratner made a landmark speech to the Institute of Directors After over 25 years in the jewellery trade Gerald Ratner was one of the most well known and successful retailers of his generation He had built up a highly profitable multi million pound international business including household names like Ratners H Samuel Ernest Jones Watches of Switzerland as well as over one thousand stores in the US Being asked to give the keynote address at the Institute of Directors annual conference at The Royal Albert Hall was a great honour and should have been the crowning glory on two decades of empire building Gerald s speech was seized upon by the media after he included jokes about the quality of some of the shops products But the far reaching impact that these jokes would have no one could have predicted Even though I had once had my name above hundreds of shops up and down the country it had become more famous as a byword for crap It took several years to realise just what an impact the speech had had on every aspect of my life Press coverage of hardback version a rollicking good read Michael Skapinker The FT Most business autobiographies are so overlaid with ghost writerly blandness that the character of the subject is lost Mr Ratner had help with this one but fortunately he is still there obsessive funny and a bit of a scoundrel the last mitigated by how well he knows it The FT self effacing revealing and human Luke Johnson FT Business Life A few ill
