## **Tackling Racism In Europe An Examination Of Anti Discrimination Law In Practice:**

**Tackling Racism in Europe** Martin MacEwen,1995 With integration at the forefront of the European agenda the importance of national identity and ethnic heritage has become the object of focused attention So too have racial conflict and discrimination as groups vie for place and privilege in an increasingly competitive world This book aims to provide a critical examination of current anti discrimination law and policy relating to race in a selection of the EC member states It also discusses provisions and developments likely to result from the creation of a unified Europe as well as the relevance of international and regional treaty obligations

**The EU Race Directive** Erica Howard,2009-10-16 In 2000 the European Union adopted a Directive against discrimination on the grounds of racial or ethnic origin This book provides an in depth evaluation of the Race Directive and its effects questioning how successful the Race directive has been The EU Race Directive discusses the history of the fight against racial discrimination in the EU and the equality clauses in international Human Rights instruments It then examines the terms race racism and racial discrimination and equality in the Directive The book also looks at the concepts of equality which can be distinguished in the Race Directive and in the subsequent developments at EU level Examining whether the Directive has improved the protection against racial or ethnic origin discrimination for people within the EU the book concludes with an assessment of how far the EU has come on the road to racial equality with the adoption of the Race Directive and the subsequent developments It also contains proposals for possible improvements The comprehensive and up to date analysis in this book goes beyond most other books written on the subject and the specific focus on racism and racial discrimination means a more thorough examination than most texts focusing on discrimination on a larger number of grounds This book will be of great value to students and academics in European law social sciences and human rights researching racism racial discrimination ethnicity and race relations It will also be useful for policy makers

**Working Through Barriers** Irena Kogan,2007-05-03 Working through Barriers deals with the role host countries institutional characteristics play in the labour market integration of immigrants in the European Union Drawing on existing research it develops a comprehensive conceptual framework of factors and underlying mechanisms affecting immigrant structural integration in the European Union 15 It maps the European countries with respect to three institutional aspects central to immigrant integration immigration policies labour market structure and welfare regimes Further it presents a descriptive picture of the labour market situation of the immigrant population in the European Union and seeks to explain the variation in labour market outcomes namely unemployment risk and occupational status with reference to differences in the characteristics of the immigrant populations on the one hand and by differences in labour market structure immigration policies and welfare regimes in European Union countries on the other In depth analyses of a selected number of EU countries are carried out with the aim of investigating the extent to which immigrants have succeeded or failed in different institutional contexts

*Equal in Law, Unequal in Fact* Timo Makkonen,2012-01-05

This book explores the causes forms and consequences of racial discrimination as well as the international and European legal responses thereto It explains why the law fails to eliminate discrimination and suggests ways forward **The Rowman & Littlefield Handbook of Policing, Communication, and Society** Howard Giles, Shawn L. Hill, Edward R. Maguire, 2021-04-15

The Rowman Littlefield Handbook of Policing Communication and Society brings together well regarded academics and experienced practitioners to explore how communication intersects with policing in areas such as cop culture race and ethnicity terrorism and hate crimes social media police reform crowd violence and many more By combining research and theory in criminology psychology and communication this handbook provides a foundation for identifying and understanding many of the issues that challenge police and the public in today s society It is an important and comprehensive analysis of the enormous changes in the roles of gender in society digital technology social media and organizational structures have impacted policing and public perceptions about law enforcement **Legal Aspects of Ethnic Data**

**Collection and Positive Action** Jozefien Van Caeneghem, 2019-09-05 This book addresses the legal feasibility of ethnic data collection and positive action for equality and anti discrimination purposes and considers how they could be used to promote the Roma minority s inclusion in Europe The book s central aim is to research how a societal problem can be improved upon from a legal perspective The controversy surrounding ethnic data collection and positive action severely limits their use at the national level Accordingly legal and political concerns are analysed and addressed in order to demonstrate that it is possible to collect such data and to implement such measures while fully respecting international and European human rights norms provided that certain conditions are met Part I focuses on ethnic data collection and explores the key rules and principles that govern it the ways in which this equality tool could be used and how potential obstacles might be overcome It also identifies and addresses the specific challenges that arise when collecting ethnic data on the Roma minority in Europe In turn Part II explores positive action and the broad range of measures covered by the concept before analysing the applicable international and European framework It reviews the benefits and challenges of implementing positive action for Roma identifies best practices and gives special consideration to inter cultural mediation in the advancement of Roma inclusion The book concludes with an overview of the main findings on both topics and by identifying three essential elements that must be in place in addition to full respect for the applicable legal rules in order to combat discrimination and achieve the inclusion of Roma in Europe by complementing existing anti discrimination frameworks with the collection of ethnic data and the implementation of positive action schemes **The Dynamics of Managing Diversity** Gill Kirton, Anne-Marie

Greene, 2007-03-30 This text takes the view that the study of equality needs to consider not only issues of discrimination but also the needs of people in relation to their diverse cultures and identities It therefore takes a different approach to the issues of quality and diversity in the world of employment The Dynamics of Managing Diversity discusses diversity as recognition of the differences and similarities between and among social groups and how resulting policies must reflect these

**Immigration History of Britain** Panikos Panayi, 2014-09-11 Immigration ethnicity multiculturalism and racism have become part of daily discourse in Britain in recent decades yet far from being new these phenomena have characterised British life since the 19th century While the numbers of immigrants increased after the Second World War groups such as the Irish Germans and East European Jews have been arriving settling and impacting on British society from the Victorian period onwards In this comprehensive and fascinating account Panikos Panayi examines immigration as an ongoing process in which ethnic communities evolve as individuals choose whether to retain their ethnic identities and customs or to integrate and assimilate into wider British norms Consequently he tackles the contradictions in the history of immigration over the past two centuries migration versus government control migrant poverty versus social mobility ethnic identity versus increasing Anglicisation and above all racism versus multiculturalism Providing an important historical context to contemporary debates and taking into account the complexity and variety of individual experiences over time this book demonstrates that no simple approach or theory can summarise the migrant experience in Britain European Handbook on Equality Data European Commission. Directorate-General for Employment, Social Affairs and Equal Opportunities. Feminist Perspectives on Employment Law Anne Morris, Thérèse O'Donnell, 2013-03-04 Whilst equal pay maternity rights and sex discrimination have received attention from feminist scholars there is an increasing awareness that the whole working environment needs to be examined This text presents a discussion of traditional and less obvious aspects of employment **Race in France** Herrick Chapman, Laura L. Frader, 2004-06-01 Scholars across disciplines on both sides of the Atlantic have recently begun to open up as never before the scholarly study of race and racism in France These original essays bring together in one volume new work in history sociology anthropology political science and legal studies Each of

the eleven articles presents fresh research on the tension between a republican tradition in France that has long denied the legitimacy of acknowledging racial difference and a lived reality in which racial prejudice shaped popular views about foreigners Jews immigrants and colonial people Several authors also examine efforts to combat racism since the 1970s

*An Ethnic History of Europe since 1945* Panikos Panayi, 2018-10-08 The first history of Europe since 1945 which examines the continent from a mainly ethnic perspective Panikos Panayi has drawn on years of research to produce this comparative and exploratory account of the experience of ethnic minorities in post war Europe The coverage encompasses all categories of minorities including immigrants and refugees localised ethnic groupings and dispersed peoples Geographically the scope of the book ranges from the Atlantic to the Urals and the Mediterranean to the Arctic looking in particular at the Soviet Union Britain France Germany Romania Cyprus and the former Yugoslavia

**Ethnicity, Social Mobility, and Public Policy** Glenn C. Loury, Tariq Modood, Steven M. Teles, 2005-05-12 This major comparative study of the social mobility of ethnic minorities in the US and UK argues that social mobility must be understood as a complex and multi dimensional phenomenon incorporating the wealth and income of groups but also their political power and social recognition Written by leading sociologists economists political scientists geographers and philosophers in both countries the volume addresses issues as diverse as education work and employment residential concentration political mobilisation public policy and social networks while drawing larger lessons about the meaning of race and inequality in the two countries While finding that there are important similarities in the experience of ethnic and especially immigrant groups in the two countries the volume also concludes that the differences between the US and UK especially in the case of American blacks are equally important

*The Impact of Immigration* Panikos Panayi, 1999 This book is a documentary history of immigration into post war Britain Using a range of sources it illustrates both the structural and personal reasons for immigration The author pays special attention to the social and economic lives of immigrants while some have found economic success the majority remain underprivileged Many have tried to maintain their ethnicity especially through language religion politics and culture As a result many immigrants have faced varying degrees of hostility from the state and from individual native Britons

**Unequal Chances** Anthony Francis Heath, Sin Yi Cheung, 2007-10-25 The first major cross national study of ethnic minority disadvantage in the labour market Standard analyses using the most authoritative datasets enable the reader to make precise comparisons The study reveals that most groups of non European ancestry continue to experience substantial ethnic penalties in the second and later generations

**Religion and Education in Europe** Robert Jackson, 2007

**Ethnic Minorities in 19th and 20th Century Germany** Panikos Panayi, 2014-06-11 This is the first book to trace the history of all ethnic minorities in Germany during the nineteenth and twentieth centuries It argues that all of the different types of states in Germany since 1800 have displayed some level of hostility towards ethnic minorities While this reached its peak under the Nazis the book suggests a continuity of intolerance towards ethnic minorities from 1800 that continued into

the Federal Republic During this long period German states were home to three different types of ethnic minorities in the form of dispersed Jews and Gypsies localised minorities such as Serbs Poles and Danes and immigrants from the 1880s Taking a chronological approach that runs into the new Millennium the author traces the history of all of these ethnic groups illustrating their relationship with the German government and with the rest of the German populace He demonstrates that Germany provides a perfect testing ground for examining how different forms of rule deal with minorities including monarchy liberal democracy fascism and communism
