

A photograph of a woman with blonde hair, wearing a blue long-sleeved top, smiling and gesturing with her hand while talking to another person whose back is to the camera. The person is wearing a maroon top. In the foreground, there is a table with a white coffee cup, a calculator, and some papers. The background shows a modern office or public space with large windows and indoor plants. A large, semi-transparent purple shape is overlaid on the left side of the image, containing the text.

## **Tackling Unemployment:**

Tackling Unemployment Richard Layard,1999-04-12 Richard Layard is one of Britain's foremost applied economists whose work has had a profound impact on the policy debate in Britain and abroad This book contains his most influential articles on the subject of unemployment It is published along with a companion volume *Inequality* which deals with these topics and with economic transition Unemployment explains what causes unemployment and proposes remedies to reduce it There is a strong focus on how unemployed people are treated and how this affects unemployment including Layard's well known recommendation of a job guarantee for long term unemployed people Other key topics covered are the effect of unions and wage bargaining the effect of low skill and the possible role of rigid employment laws The book opens with Richard Layard's personal credo *Why I became an Economist* Tackling Inequality R. Layard,1999-03-22 Richard Layard is one of Britain's foremost applied economists whose work has had a profound impact on the policy debate in Britain and abroad This book contains his most influential articles on education equality and income distribution and on the lessons of economic transition in Eastern Europe It is published along with a companion volume *Inequality* argues that lifetime inequality is the basic inequality we should worry about In this context education is a powerful instrument of redistribution as well as a national investment Cash redistribution has efficiency costs which can be calculated but it may also serve to discourage inefficient over work arising from each person's efforts to earn more than his neighbour A final series of essays is based on Layard's recent work on reform strategies in Russia and Poland The book opens with Richard Layard's personal credo *Why I became an economist* **Tackling Low Income and Deprivation** Tim Callan,2008 Combat Poverty Agency Pre-Budget Submission 1991: Tackling Poverty in the Nineties, **Tackling Disaffection and Social Exclusion** Annette Hayton,2013-09-13 This text investigates UK policy issues and strategies in an international context highlighting the importance of educational exclusion and disaffection on the international agenda The authors examine the problems and key areas of policy development for education *OECD Employment Outlook 2009 Tackling the Jobs Crisis* OECD,2009-09-16 OECD's annual report on employment markets and prospects This 2009 edition includes chapters on how the crisis has effected employment job and worker flows poverty and pathways onto and off of disability benefits **How to Tackle Unemployment** Dragan S. Christo,Robert B. Macdonald,2000 **Tackling Inequalities in Brazil, China, India and South Africa The Role of Labour Market and Social Policies** OECD,2010-10-21 This book focuses on the role of growth and employment unemployment developments in explaining recent income inequality trends in Brazil China India and South Africa and discusses the roles played by labour market and social policies in both shaping and addressing these inequalities **The Role of Community Development in Tackling Poverty** Combat Poverty Agency,2000 Writing Women Sonia Randhawa,2022-07-21 This book examines how women journalists in Malaysia negotiated male power structures in particular structures determined by the keystone party of the ruling coalition the United Malays National Organisation Through both

oral histories and content analysis it looks at how women journalists in the women's pages of the newspapers found spaces to advocate for their readers It is thus the first work to look at the importance of the women's pages in the Malay language newspapers and how apparently monolithic institutions of the authoritarian state hid diverse contests for resources and prestige In this contest the concept of news values the perception of the reader and the ways in which women constructed themselves as journalists all come into play and are examined here The book contributes to the field of feminist media studies by examining how gendered newsroom practices paradoxically allowed women journalists in the women's pages more editorial freedom than those in the malestream press

**The Quest for Argumentative Equivalence** Emanuele Brambilla, 2020-02-17 What are the implications of strategic manoeuvring for the activity of the simultaneous interpreter This is the main question addressed in *The Quest for Argumentative Equivalence* Based on the analysis of a multilingual comparable corpus named ARGO the book investigates political argumentation with an eye to its reformulation by interpreters After reporting and discussing a series of case studies illustrating interpreters problems in the political context the study reconstructs the prototypical argumentative patterns used by Obama Cameron Sarkozy and Hollande not only in a hermeneutical perspective but also considering interpreters need to reproduce them into a foreign language Situated at the intersection of Argumentation Theory and Interpreting Studies the book provides a contribution to the descriptive study of political argumentation highlighting the presence of interpreters as a key contextual variable in political communication and deepening the study of the interlinguistic and translational implications of the act of arguing
