Violence and Sex Work in Britain Hilary Kinnell, 2013-01-11 This book is concerned with violence in the sex industry It aims to provide an

understanding of the nature of violence against sex workers and the relationship between violence government legislation and policy and law enforcement practices an essential task in view particularly of the 2006 Ipswich murders and the public and media response to this which illustrated how poorly the context of violence in the sex industry is understood The book describes the incidence of violence against sex workers culminating in some cases in murder It shows how the risk of violence is strongly dependent on the physical and legal context in which sex workers operate how repressive policing tactics exacerbate vulnerability and how discourses of abhorrence towards sex work promote perceptions of sex workers as worthless human beings It also examines how inadequacies in the criminal justice system lead to failures in investigations and prosecutions and failures to prevent violence from known offenders and how the stereotyping of sex workers their clients and perpetrators of violence in the media and in other spheres of academic debate distorts reality leading to inappropriate or harmful public responses

Ludics Vassiliki Rapti, Eric Gordon, 2021-01-11 This book establishes play as a mode of humanistic inquiry with a profound effect on art culture and society Play is treated as a dynamic and relational modality where relationships of all kinds are forged and inquisitive interdisciplinary engagement is embraced Play cultivates reflection connection and creativity offering new epistemological directions for the humanities With examples from a range of disciplines including poetry history science religion and media this book treats play as an object of inquiry but also as a mode of inquiry The chapters each focusing on a specific cultural phenomenon do not simply put culture on display they put culture in play providing a playful lens through which to see the world The reader is encouraged to read the chapters in this book out of order allowing constructive collision between ideas moments in history and theoretical perspectives The act of reading this book like the project of the humanities itself should be emergent generative and playful
