**Tahiti and Its Islands** ,2006      Tahiti and Its Islands Bob Putigny,1972      **The Geography, Nature and History of the Tropical Pacific and its Islands** Walter M. Goldberg,2017-12-08 This volume provides an accessible scientific introduction to the historical geography of Tropical Pacific Islands assessing the environmental and cultural changes they have undergone and how they are affected currently by these shifts and alterations The book emphasizes the roles of plants animals people and the environment in shaping the tropical Pacific through a cross disciplinary approach involving history geography biology environmental science and anthropology With these diverse scientific perspectives the eight chapters of the book provide a comprehensive overview of Tropical Pacific Islands from their initial colonization by native peoples to their occupation by colonial powers and the contemporary changes that have affected the natural history and social fabric of these islands The Tropical Pacific Islands are introduced by a description of their geological formation development and geography From there the book details the origins of the island s original peoples and the dawn of the political economy of these islands including the domestication and trade of plants animals and other natural resources Next readers will learn about the impact of missionaries on Pacific Islands and the affects of Wold War II and nuclear testing on natural resources and the health of its people The final chapter discusses the islands in the context of natural resource extraction population increases and global climate change Working together these factors are shown to affect rainfall and limited water resources as well as the ability to sustain traditional crops and the capacity of the islands to accomodate its residents      *The Regional Travel Guide for Tahiti (French Polynesia)* ,      Tahiti and Its Islands Bob Putigny,1976      **An Index to the Islands of the Pacific Ocean** William Tufts Brigham,1900      *Islands and Empires* Ernest Stanley Dodge,1976 Islands and Empires was first published in 1976 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions This is the first one volume account of the massive impact of Western civilization on the Pacific Islands and the Far East principally China and Japan The effects on the two areas were very different since in the case of the islands contact was with peoples who were still in the Stone Age while in the Far East Westerners came up against sophisticated civilizations more ancient and mature than their own Because of these differences the book is divided into two sections the first dealing with the Pacific Islands and the second with the East Asian mainland Reverse influences those of the Eastern cultures on the West are also discussed

COVID in the Islands: A comparative perspective on the Caribbean and the Pacific Yonique Campbell,John Connell,2021-10-29 This book provides the first wide ranging account of the impact of the COVID 19 pandemic in two contrasting island regions the Caribbean and the Pacific and in several islands and island states It traces the complexity of effects and responses at different scales through the first critical year Written by a range of scholars and practitioners working in the region the book focuses on six key themes public health the economies notably the collapse of tourism the

revival of local agriculture and fishing and the rebirth of self reliance and even barter the rescue by remittances social tensions and responses public policy and future bubbles and regional connections Even with marine borders that excluded the virus all island states were affected by COVID 19 because of a considerable dependence on tourism prompting urgent challenges for governance economic management and development as small states sought to balance lives against livelihoods in search of revitalisation or even a new normal
