Roger,2024-01-01 Roger Schutz Marsauche known as Brother Roger is one of the most influential figures in Christianity in the twentieth century He was founder and first prior of the Taiz Community in France where tens of thousands of young Christians flock each year for their distinctive music and contemplative style of worship spending time in prayer and reflection But it is the community of monastic brothers from differing Christian traditions and over twenty five different countries who makes this contemplative experience possible They stand as a parable of community and as a sign of unity in the midst of a divided world and a divided Christianity This first volume of Brother Roger s journals covers his arrival in Taiz during World War II through to the 1960s in which young adults found the hill of Taiz in their searching These collected reflections on personal and current events offer an illuminating portrait of the founder of Taiz bringing to light key aspects of the community putting into practice the vision that inspired him *Taizé* Rex Brico,1978 **Journals of Brother Roger of Taizé** Brother Roger of Taize,2021-12-03 When the definitive history of Christianity in the twentieth century is written one of the key figures will certainly be that of Roger Schutz Marsauche 1915 2005 known as Brother Roger the founder and first prior of the Taize Community in France Taize is familiar to many across the world for its music and contemplative style of worship and as a place where tens of thousands of young Christians flock each year to spend a time of prayer and reflection What is less well known is the underlying reality that makes all this possible a monastic community of brothers from over twenty five different countries and different Christian traditions striving to live as a parable of community a sign of unity in the midst of divided Christians and a world torn apart This first volume of Brother Roger s journals covers the years from his

arrival in Taize during World War II to the turbulent 1960s when young adults began making their way to the hill of Taize in their searching. These collected insights, reflections and accounts of personal encounters and current events offer what is perhaps the best portrait of the founder of Taize. They bring to light key aspects of the community which continues to attempt to put into practice the vision that inspired him. *Journals of Brother Roger of Taize, Volume 2* Brother Roger of Taize, 2023-04-20. This is the second volume of the personal journals of Roger Schutz Marsauche 1915-2005 known as Brother Roger, the founder and first prior of the Taiz Community in France, an ecumenical monastic community that strives to live as a parable of community in a divided world. Taiz is known especially for its music and contemplative style of worship and as a place where tens of thousands of young Christians flock each year to spend a time of prayer and reflection. This volume covers the years from 1969 to 1972 and is centered on the genesis and first preparations of a Council of Youth. The project was inspired by the crisis in the Catholic Church in the wake of the Second Vatican Council and the slowdown of ecumenism after the glowing hopes kindled in the wake of the Council. It was an attempt to take seriously the aspirations of the younger generation and orient them in a positive direction. Brother Roger also talks in these pages about the ongoing life of the community, his personal spiritual journey and many important encounters that took place in those eventful years. **A Universal Heart** Kathryn Spink, 2006-04. The authorized biography of the man who made the phenomenon of Taiz possible. It is the story of a life which took Brother Roger, the founder and leader of the Taiz community, from the slums of Calcutta and New York's Hell's Kitchen to the United Nations building and the great cathedrals of Europe. **A Universal Heart** Kathryn Spink, 2015. This updated edition with a new colour plate section is published to celebrate the centenary of Brother Roger's birth on 12 May 1915. In August 2005 Brother Roger, the charismatic founder and leader of the Taize community, was attacked and killed whilst praying with more than 2,000 young people. His death came almost 65 years after he crossed the border from his native Switzerland into war-ravaged France and settled in the tiny village of Taize. At a time when Europe was torn asunder, Brother Roger had asked himself why such conflict should exist between people and particularly between Christians. He found himself called to establish a community in which reconciliation and peace would be made concrete day by day. The Taize community has become one of the world's most important sites of Christian pilgrimage. Over 100,000 young people from around the world travel there each year for prayer, Bible study, sharing and communal work. Through the community's ecumenical outlook, they are encouraged to live in the spirit of kindness, simplicity and reconciliation. 2015 is an anniversary year to celebrate. **Journals of Brother Roger of Taize, Volume 3** Brother Roger of Taize, 2024-06-04.
