## **Take A Trip To Denmark:**

Take a Trip to Denmark Keith Lye,1984 Introduces the kingdom of Denmark briefly presenting facts about this peninsular northern European country      Denmark Travel Adventures Elizabet Olesen,2009-07-15 Denmark is primarily made up of one peninsula Jutland Jylland in Danish and two islands Sealand Sjælland and Funen Fyn Sealand is the bigger of the two islands and also where Copenhagen the capital and biggest city is located Denmark is the smallest of the three Scandinavian countries with only 43 000 square km There are over 400 islands in total but only 100 of them are inhabited The country has 4 500 miles of coast line and you are never more than 30 miles from the sea no matter where you are in the country The biggest island in the world Greenland also belongs to Denmark as do the Faroe Islands If Greenland were to be included in the total area of the country Denmark would be the biggest country in Europe by far and one of the biggest in the world Denmark is perhaps the most popular of the three countries for campers There are more than 500 campsites all over the country The Danish word for inn is kro and if you see that word on a sign along the road you have found the perfect combination of a place to stay and a place to eat A long time ago when people traveled by horse it was decided that a kro should be placed every 20 km along all common roads in Denmark and still today you will find inns all over the country They are as popular as ever for spending the night grabbing a bite to eat or both Denmark is the number one biking country of the three Being a small and flat country it is often the best way of getting around and biking is extremely popular for recreation Denmark has over 6 200 miles of designated biking trails These are just a few details covered in this comprehensive guide to all the activities in the country plus where to stay and where to dine This is an excerpt from our much larger guide to Scandinavia      DK Eyewitness Travel Guide: Denmark ,2013-10-10 Now available in PDF format DK Eyewitness Travel Guide Denmark is your indispensable guide to this beautiful country The fully updated guide includes unique cutaways floor plans and reconstructions of the must see sights plus street by street maps of cities and towns DK's insider travel tips and essential local information will help you discover the best of this country region by region from local festivals and markets to day trips around the countryside Detailed listings will guide you to hotels restaurants bars and shops for all budgets while practical information will help you to get around by train bus or car With hundreds of full color photographs hand drawn illustrations and custom maps that brighten every page DK Eyewitness Travel Guide Denmark truly shows you this destination as no one else can      The Blacksmith's Son Paul A. Jensen,2015-12-17 The son of a Danish immigrant tells the story of his life and times from the beginning of the Second World War to the state of the world today He questions the wisdom of religious belief and the ever increasing growth of civilization Will mankind be able to survive when confronted with a shortage of essential resources and over population in the near future Has the time come for nations to implement much needed limits to growth Have governments failed to respond due to political inaction or fallacy Currently the masses are on the move in the Middle East Northern Africa and elsewhere toward Europe in search of survival and a better life

Europe can accommodate some of them but not all Terrorism threatens Europe and elsewhere How will it all end In 1941 Paul s family move to the countryside in northern California for the duration of the war Later in life Paul begins to worry about the future of the world that he knows and cares about He asks difficult questions and expects intelligent answers
