Take Back The Truth Confronting Papal Power And The Religious Right:

Take Back the Truth Joanna Manning, 2002 From the author of *Is the Pope Catholic* comes this disturbing exposé of the Catholic Church's new feminism Manning shows how John Paul II has joined forces with Protestant fundamentalists to rein in the feminist movement and perpetuate male only leadership through coercive and authoritarian uses of power *Sex, Priests, and Secret Codes* Thomas P. Doyle, A. W. Richard Sipe, Patrick J. Wall, 2006 Sexual abuse of minors and vulnerable adults by Catholic clergy is not a new phenomenon *Sex Priests and Secret Codes* reveals in shocking detail a deep seated problem that spans the Church's history *Violence, Society, and the Church* Gerald A. Arbuckle, 2004 The reality of violence and the fear it generates is constantly in the news Terrorist attacks across the world and other abuses of power such as the sexual abuses in the Catholic Church the continuance of patriarchalism racism and the negative effects of globalization highlight the relevance of this book Here the author uniquely explains these forms of violence in the wider context of their cultural roots *Stalking the Holy* Michael W. Higgins, 2006 In *Stalking the Holy* writer and scholar Michael W Higgins explores the Roman Catholic pursuit of saint making the pre eminent Christian model he argues with its elaborate features and arcane cast of players such as the relator and the promotor of the faith He points out that if saints are not actually made so much as recognized by the Church nevertheless this official recognition is a form of manufacture involving motivation expertise and risk *Resisting Orders* Christine Gervais, Amanda Watson, Shanisse Kleuskens, 2025-05-29 Catholic religious sisters in Canada occupy a complicated position as they endeavour to live out their vocations while simultaneously representing and confronting a patriarchal and colonial institution that has caused harm For some this navigation has been painful for others it has been impossible *Resisting Orders* brings to light these women's untold stories of resistance against religious doctrine and societal norms that contradict their feminist and social justice convictions Drawing on in depth interviews with thirty two Catholic sisters and former sisters who entered the church between 1937 and 1985 the authors reveal the ways these women have understood and strategically addressed the contradictions they faced *Resisting Orders* rejects stereotypes of women religious as compliant subservient and rigid in their thinking recounting instead their outspokenness and action when they challenged the church on issues including the criminalization of women's ordination the clerical abuse of children reproductive injustice and the rejection of 2SLGBTQI people The authors attend to the diversity of women religious as a group making space for their evolving unexpected varied perspectives and lived experiences *Resisting Orders* untangles the power and resistance of women religious asking what it means to agitate for change from within at a time of reckoning for the Roman Catholic Church *Inside the Jesuits* Robert Blair Kaiser, 2014-05-23 Pope Francis the first Jesuit pope has captured our attention by stepping away from the papal throne unafraid to give impromptu interviews decentralize church governance or explore new horizons for the greater good of the people of God His actions and words suggest that he is here not to dominate but to serve less inclined to preach than to listen and to bring us back to Jesus that

we may have life and have it more abundantly Award winning journalist Robert Blair Kaiser argues that the pope's Jesuit DNA is central to understanding how Pope Francis is shaping the church and the world Inside the Jesuits takes readers inside the Jesuits head and heart take on faith The author tells the story of his own Jesuit training before leaving to become a journalist and highlights how the key elements of the Jesuit formation have made Pope Francis the pope he is like Jesus in his simplicity launching bold administrative moves to update the Church and daring to say and do things no other pope has said or done He washes the feet of those in prison including a Muslim woman He says of homosexuals Who am I to judge To further illustrate the Jesuit DNA in action Kaiser produces some fascinating profiles of other Jesuits and former Jesuits working the Jesuit motto for the greater glory of God which Kaiser gives a more worldly spin for the greater good of the people of God Inside the Jesuits is a powerful exploration of how the Jesuit training to be more like Jesus has shaped Pope Francis a self confessed sinner who encourages us to love our supposedly less worthy selves and help make a better world

Correcting Jesus Brian Griffith,2010-10 In *Correcting Jesus* Brian Griffith patiently and clearly untangles the many strands of the story of Christianity and the many changes made over the centuries to the original story of Jesus and his message For any reader who's wondered Where *Seeking Wholeness* Marie Evans Bouclin,2006 Helps women and men victims and non victims to understand and act against sexual abuse and the abuse of power Provided by publisher **Abuse and Cover-Up** Arbuckle, Gerald A.,2019-09-26 Written for readers deeply concerned for the future of the church this book seeks to answer two questions Why is the culture of the Catholic Church despite Vatican II's emphasis on collegiality and transparency still prone to covering up abuses of power How can this culture change in order to move forward A timely book on the sex abuse crisis by a scholar who is adept at weaving insights from the social sciences into a framework of practical theology **Conscience** ,2003 **The World's Religions After September 11** Arvind Sharma,2009 Convening on the fifth anniversary of the terrorist attack on the World Trade Center the global congress *The World's Religions after September 11* explored the negative and positive possibilities of the religious dimensions of life The presentations from the congress have been pulled together in this set which addresses religion's intersection with human rights spirituality science healing the media international diplomacy globalization war and peace and more This comprehensive set includes contributions from such well known scholars of religion as Arvind Sharma and a host of others from all the world's religious traditions This set is an unprecedented examination of religion's influence on modern life an honest assessment of how religion can either destroy us or preserve us and a thorough exploration of what steps might be necessary for all religions to join together as a force for good Because of the attack on the World Trade Center on September 11 2001 the very concept of religion underwent a paradigm shift Instead of standing for virtue and piety peace and harmony the word religion also came to be inextricably associated with evil aggression and terror People around the world began to question whether the religious and secular dimensions of modern life can be reconciled whether the different religions of the world can ever coexist in harmony Indeed

the very future of religion itself has sometimes seemed to be uncertain or at least suspect The volumes are 1 Religion War and Peace 2 Religion and Human Rights 3 The Interfaith Dimension 4 Spirituality Living in the Shadow of the Cross Paul Kivel,2013 Living in the Shadow of the Cross exposes how Christian hegemony punishes the poor destroys the environment and contributes to our seemingly endless war on terror This landmark work emphasizes the power of people to build strong movements for resistance **American Book Publishing Record** ,2002 **The Catholic Periodical and Literature Index** ,2002 The Knowledge of Religious Truth Francis Augustus Henry,1922 **Index de Périodiques Canadiens** ,1964 **Books In Print 2004-2005** Ed Bowker Staff,Staff Bowker, Ed,2004 **Subject Guide to Books in Print** ,1991 **Quill & Quire** ,2002 Commonweal Confronts the Century Patrick Jordan,Paul Baumann,1999-11-12 Publisher Description
