Reclaim Your Life from IBS Melissa G. Hunt,2022-05-05 Reclaim Your Life from IBS teaches a number of skills that can directly reduce the impact of

gastrointestinal symptoms in a person's life. The book explores the differential diagnosis of irritable bowel syndrome (IBS) and the current scientific models of what causes IBS. It teaches the reader the cognitive model of stress management using cognitive behavioral therapy and helps readers learn to identify their negative beliefs and reframe them more accurately. It also guides readers to reduce avoidance and helps them understand how to use dietary modifications and medications wisely rather than reactively. In this second edition, numerous case examples throughout illustrate the application of these core CBT skills to IBS-related thoughts and experiences, and new material is included on exercise, diet, and medications. This book is a proven self-help book for people with IBS as well as being useful as a treatment manual for clinicians who work with patients with IBS.

The Pastoral Counseling Treatment Planner James R. Kok, Arthur E. Jongsma, Jr., 2024-11-13. Over 1,000 well-crafted treatment resources for many of life's thorniest problems. For pastoral counselors and clergy people seeking effective therapeutic techniques, *The Pastoral Counseling Treatment Planner* is a lifesaver. And for secular therapists integrating elements of their clients' spirituality into treatment process, this book can guide the way. Patterned after the bestselling *The Adult Psychotherapy Treatment Planner*, this resource draws on a variety of Western religious belief systems and offers step-by-step guidelines on counseling clients and parishioners through life's dilemmas. This sourcebook is organized around 31 common problems, including marital conflict, grief, chronic illness, and challenges of faith. For each problem, behavioral definitions and potential counseling goals are provided, along with dozens of suggested interventions, many of which draw upon the client's faith as a source of healing. This is a hands-on resource that you can use directly in practice. The pages afford plenty of space to record customized counseling goals, objectives, and interventions for your clients. A faith-forward entry in the trusted *Treatment Planner* series, *The Pastoral Counseling Treatment Planner* simplifies the planning process so you can focus on helping those who need you. Access a sample counseling plan appropriate for both experienced counselors and novices. Quickly develop individualized plans by selecting from over 1,000 descriptive statements. Easily meet the requirements of third-party payers and accrediting agencies. Build treatment plans consistent with the latest DSM-5-TR. Religious leaders who provide counseling to parishioners and secular counselors who incorporate spirituality in their practice.

High Ticket Amelia Green, AI, 2025-03-03. *High Ticket* provides a strategic framework for entrepreneurs and business owners aiming to command premium prices and attract affluent clients. It challenges the notion that business success hinges on constant discounting, instead advocating for high-value sales based on expertise and exceptional service. The book explores strategies for expert positioning, enabling businesses to become recognized authorities in their niche and highlights the importance of understanding affluent buyer psychology to effectively communicate value. The book is structured around three core pillars: premium pricing strategies, expert positioning, and understanding the affluent buyer. It progresses from establishing foundational principles to practical implementation strategies, including refining a premium offering and crafting compelling marketing messages. Case studies and research in behavioral economics support the book's data-driven approach.

to premium pricing and consumer behavior Ultimately High Ticket emphasizes creating genuine value and building long term relationships It s a guide for those seeking to elevate their business by attracting high caliber clients mastering high value sales and building a sustainable business based on quality and expertise not just volume How to Survive a Toxic Workplace Deborah L.
