Take God At His Word Experience The Power Of Giving:

Take God at His Word Gregg Hood,2005 If you ve ever struggled with giving God s dynamic promises will liberate and empower you toward greater faith ministry impact and financial freedom The Ninety-Sixth Thesis Brian A. Bompiani,2020-09-29 Five hundred years ago Martin Luther posted his ninety five theses or grievances to the door of the All Saints Church of Wittenberg and condemned the Catholic Church s teaching of indulgences as nothing but a scheme to raise money for the church It is a supreme irony of history that five hundred years later it is now a subset of the Protestant Church that is defrauding the faithful The Catholic Church s teaching of indulgences and the evangelical movement s teaching of tithing to be blessed are substantially the same and lead to the same result In both cases the church walks away with a bag of money and the Christian walks away with a bag full of empty promises This book explains why I am losing faith in the church but finding faith in Christ The reason for this is that I began finding answers to some of the most elusive questions about God Something is preventing God from doing all the good that he would otherwise want to do But here is the problem How can God have limitations If he has limitations then he must not be divine However there is one thing that could prevent a good all powerful God from doing all the good that he would otherwise want to do that would not detract at all from his omnipotence What this is and how it holds the key to unlocking some of the most perplexing mysteries of God is explained in this book **Experience God... His Love ... His Blessings ... His Power ...** BOBBI HODGES,2011-11-01 How do you know who is a Christian and who is a hypocrite Why do Christians say born again What does it mean to be saved Whats the difference between being religious and being spiritual Why does following the Bible seem so complicated In Experience God His Love His Blessings His Power author Bobbi Hodges with guidance from the Holy Bible answers these questions Writing for pre Christians and new believers Hodges provides clarity to the many issues facing todays believers by separating the many biblical truths from myths and facts from fiction She sheds light on Gods promises for your life Sharing the truth of what many of todays pastors fear to teach from the pulpit she seeks to bring about protection from ignorance and rebellion Experience God His Love His Blessings His Power provides encouragement hope and direction for a broken world facing the end times It not only brings insight of Gods prosperous plan for your life but also helps you recognize the power the faith and the beauty God has placed in you through Jesus Christ Inspired--Experience the Power of God's Word Josh McDowell,Sean McDowell,2011-09-01 Inspired Experience the Power of God s Word The Unshakable Truth Journey growth guide 2 explores the truth that God has spoken and revealed himself to humanity within the Bible Further he gave us his Word for a very clear purpose to provide for us and protect us Series copy An entire generation of young Christians along with millions of older believers is confused about what they believe why they believe it and how it s relevant The Unshakable Truth Journey Growth Guides are a series of 12 courses designed especially for churches church classes and small groups They get to the heart of what being a true follower of Christ means and what knowing Christ is all about Each five session

guide is based one of 12 core truths of the Christian faith presented in Josh and Sean McDowell s book The Unshakable Truth Orthodox hard hitting and relevant these guides uniquely positioned for today s culture because they highlight how Christianity s beliefs affect relationships promote a relational group context in which Christians can experience the teaching in depth and show believers how they can live out Christianity s central truths before their community and world More than just a program The Unshakable Truth Journey Growth Guides are a tool for long term change and transformation **Give and Take** David Read,2022-07-06 Have you ever wondered why you think the way you do about people jobs relationships and just about anything you have ever encountered Everything you have ever experienced every thought you have thought is the direct result of what you have given to it or what you have taken from it This is the capacity of our souls to give thought and to take thought concerning all that we see hear and feel in this life God has designed us in his image and in this creation he has put within us the ability to do so In this book of Give and Take we will follow the path from salvation to warfare to peace and giving of thanks as we see that God gives us much and that much is available from him for us to take for our advantage As you discover who he is as a sovereign God you will begin to measure your life based on what you give to it and what you take from it Understanding that the principles set forth in the give and take that we apply in respect forgiveness taking captive thoughts and more as seen through the examples of David Nehemiah Daniel the Apostle John as well as others is through and by his love All we give to this life and all that we take from this life is defined by this principle of give and take Every relationship every event every moment is rendered through how we give to God and how we take from God
