Johnny Cash Alan Light, 2018-10-30 An illustrated biography of Johnny Cash that tells his life story through never-before-seen personal photographs and memorabilia from the Cash family. **Johnny Cash: The Life and Legacy of the Man in Black** is a Cash biography like no other. It reveals Cash's personal and professional life through largely unpublished material from the Cash family, including his handwritten notes and set lists, personal photographs of Cash with his family traveling and performing onstage, and beloved objects from his home and private recording studio. Alan Light, one of America's leading music journalists, traces Cash's story from his origins in rural Arkansas to his early recordings with Sun Records, from his battles with drug dependency and divorce to his romance with June Carter, and from his commercial musical successes, including *At Folsom Prison* and *American Recordings*, to his death and legacy. The book also includes vignettes on four sustaining themes of Cash's life: his musical influences, his social justice advocacy, his relationship with June, and his religious beliefs. Rich and revealing, **Johnny Cash: The Life and Legacy of the Man in Black** is ideal for all those who want to learn more about the personal side of the beloved performer. **New Perspectives on Detective Fiction** Casey Cothran, Mercy
