for the good we do Sometimes the faces are gorgeous sometimes not so much The faces make life what it is Love comes in many forms It can be a newborn baby a fresh springtime rain a cute little puppy dog or many different forms It could be the birds chirping at a park or a raging waterfall There are many different variations of love as well for example you could say I love my jeans and I love my wife Love is constant It is everywhere It is all around you you just may not recognize what it is When life and love come together you get faces of the waterfall Then theres the Light The omnipotent all seeing all knowing Light The Light holds everything together and brings order to a somewhat chaotic world Some call it a higher power some call it The man upstairs while others like myself simply call it God When life and love get out of whack the Light brings them together so everything can go on The Light brightens an otherwise dark world The poems contained in this book will show the many different faces of life The lighter side of life and the dark They will show different forms of love as it comes in many different shapes and sizes And they will introduce you to the Light of the World as He weaves the threads and brings it all together I hope you enjoy each and every poem in the book Thanks for your support
