historians but to anyone captivated by the cinema Horned Death John F. Burger, 2017-04-07 Originally published in 1947 this book is considered one of the best ever written on hunting the African buffalo John F Burger Afrikander and author of this book would heartily endorse any theatrical effort to simulate the charge of an African bull buffalo if no human life is to be risked This notable professional hunter who is here being introduced to the American public has miraculously survived to live and tell of many last ditch encounters with the powerful and crafty buffalo Mr Burger s experiences in the game fields of his native continent cover a period of forty years and in that time more than one thousand of the massive brutes have fallen to his rifles As he takes care to explain only a small number of the animals in that record bag have actually charged but in that temperate statement there rests proof of his usual success in placing a first effective hit the shot that renders a charge improbable Failure of that first shot or the effect of factors beyond the hunter s control constitutes the explosive cap that can set this specimen of black dynamite into action Once the buffalo s charge is actually under way his only objective is to produce a dead hunter The animal has accomplished his grim purpose in many instances Too frequently the gored and trampled victim has been a veteran of the trails not a novice hunter or a defenseless native In some vitally unaccountable way the buffalo had gained advantages at a rate faster than was allowed the hunter The man was then denied that last precious asset for survival luck Our author lives to tell of his close encounters with the horned death simply because luck never failed to tip the scales in his favor *Tiger Season* Gargi Rawat, 2023-09-28 Sunaina Joshi is a reporter with a leading news channel Her day to day work involves reporting on urban centric health related issues myriad subjects that bore her leaving her jaded Her real passion is a life in the great outdoors and reporting on wildlife and the environment something she is unable to do as often as she would like Unexpectedly a fabulous opportunity falls into her lap when her channel is commissioned to run a campaign on tiger conservation featuring a Bollywood star who is trying to resurrect his image and career following a drug scandal The shoot takes a dramatic turn when the television team finds itself in the middle of a local conflict and a heated incident involving a tiger attacking a forest guard Controversy follows with the decision to relocate the tiger to a zoo leading to protests and fresh outrage over the action To Sunaina s dismay she finds herself becoming the epicentre of the converging controversies Also complicating matters are the run ins she has with the arrogant owner of the resort But is her aggravation with him turning to attraction Can she keep her wits about her while remaining professional about the things she loves
