Take My Words A Wordaholics Guide To The English Language:

The Ultimate Time Management Guide for Workaholics Bogdan Vaida, As you already know the internet is full of methods and techniques on this subject but I wonder how many of them have actually been tested I can assure you that this is not the case with the techniques contained in this book I have tested and re tested every single one of them during workshops and trainings because I am motivated by an intrinsic aspect my mission is to teach students how to become their own teachers I am here to create an environment for you to become a productive person in control of your own time This book is NOT a manual which takes you through all the principles and theory behind time management Instead it provides you with practical down to earth advice that really works it gives you the tools that get the job done During my experience as a time management and personality typologies trainer I ve identified real problems people have to deal with in their daily lives

The Slangman Guide to BIZ SPEAK 1 David Burke,2001 The Slangman Guide to BIZ SPEAK 1 is essential for anyone doing business with Americans If you do business with Americans the BIZ SPEAK series is for you If you don t know the essential American slang idioms and jargon used by all business professionals you risk embarrassment loss of respect and loss of money Entertaining dialogues activities and games will quickly help put you on the inside track shortest path to success to becoming the top dog boss as you climb the corporate ladder get promoted and start to make big bucks a lot of money in your new cushy easy job NOTE Audio CDs sold separately The Slangman Guide to BIZ SPEAK 1 contains popular chapters on slang and idioms associated with The WorkplaceComputersThe InternetE CommerceMarketingAdvertisingAcronyms ShortcutsNegotiationsMeetingsPopular Abbreviations Used in BusinessThe Slangman Files a special section in each chapter with slang idioms used in categories Readers' Guide to Periodical Literature Anna Lorraine Guthrie,Bertha Tannehill,Neltje Marie Tannehill Shimer,1988 An author subject index to selected general interest periodicals of reference value in libraries **Students' Guide to Colleges** Jordan Goldman,Colleen Buyers,2005-08-02 College guides are a must for any teenager trying to choose the right school Unfortunately most guidebooks are vague boring tomes written by administrators and journalists instead of the real experts the college students that actually go there Students Guide to Colleges is different Entirely student written and edited this invaluable resource cuts through the cant with comprehensive listings of the vital statistics and requirements for America s top 100 schools accompanied by three totally honest fresh fun to read descriptions penned by attending undergrads from different walks of life Want to know how big classes really are How rigorous the academics get Or how greek or granola chill or up tight homogenous or diverse gay or straight a campus really is Lively irreverent and insightful the Students Guide to Colleges is the only guidebook that offers multiple perspectives on each school and tells it like it is so that college applicants can make the best choice when deciding where they want to spend their college years More than 30 000 students surveyed Preface by Chuck Hughes former senior dean of admissions at Harvard University Strategies for Successful Writing James A.

Reinking, Robert Von Der Osten, 2006-12 Now in its eighth edition the authors of *Strategies for Successful Writing a Rhetoric Research Guide Reader and Handbook* have strived to achieve the same steadfast goals that have motivated them from the beginning create a rhetorically organized writing guide that combines four books into one convenient and flexible teaching tool while offering students an exceptional value By having at their disposal a comprehensive textbook that offers ample material for a full year composition course instructors teaching a one term course can make various selections from Chapters 1-17 from whatever types of specialized writing suits the needs of their students and from the appropriate essays in the reader As well because the authors believe strongly that an effective composition textbook should address students directly they've aimed for a conversational yet clear style that invites students into the book lessens their apprehensions about writing and provides a model for their own prose This style complements the authors' strong student based approach to writing and together they help create a text that genuinely meets student needs
