 Murphy, 2023-12-05 A New York Times Book Review Editors Choice The untold story of the artistic battle between James
 Abbot MacNeill Whistler and John Ruskin over Whistler's controversial ground breaking Nocturne in Black and Gold The
 Falling Rocket In November 1878 America's greatest painter sued England's greatest critic for a bad review The painter won
 but ruined himself in the process The painter James Abbot MacNeill Whistler whose combination of incredible talent
 unflagging energy and relentless self promotion had by that time brought him to the very edge of artistic preeminence The
 critic John Ruskin Slade Professor of Art at Oxford University whose four decades worth of prolific and highly respected
 literary output on aesthetics had made him England's unchallenged and seemingly unchallengeable arbiter of art Though
 Whistler and Ruskin both lived in London and moved in the same artistic world they had until June 1877 managed to remain
 entirely clear of one another This was unusual because Whistler had a mercurial temperament a belligerent personality and
 seemed to thrive on opposition he once challenged a man to a duel because the man accused the painter of sleeping with his

wife Whistler had in fact slept with the man's wife That November John Ruskin walked into the Grosvenor Gallery's new exhibition of art and gazed with horror upon Whistler's Nocturne in Black and Gold The Falling Rocket The painting was Whistler's interpretation of a fireworks display at a local pleasure garden But to Ruskin it was nothing more than a chaotic incomprehensible mess of bright spots upon dark masses not art but its antithesis a disturbing and disgusting assault upon everything he had ever written or taught on the subject He quickly channeled that anger into a seething review The internationally reported widely discussed and hugely entertaining trial that followed was a titanic battle between the opposing ideas and ideals of two larger than life personalities For these two protagonists Whistler v Ruskin was the battle of a lifetime or more accurately a battle of their two lifetimes Paul Thomas Murphy's Falling Rocket also recounts James Whistler's turbulent but triumphant development from artistic oblivion in the 1880s to artistic deification in the 1890s and also Ruskin's isolated befogged silent final years after his public humiliation The story of Whistler v Ruskin has a dramatic arc of its own but this riveting new book also vividly evokes an artistic world in energetic motion culturally and socially in the last decades of the nineteenth century *The Whistler Boxset (Volume One)* T.J.Garrett,2017-12-01
