Courey,2015-02-26 Global Pentecostalism is a twenty first century phenomenon Yet in North America where the movement was born it has stalled Courey uncovers the cause of this plateau in the triumphalism that is characteristic of both North American Protestantism and Pentecostalism Through the identification of parallels between Martin Luther and contemporary Pentecostals Courey detects in Luther s Theology of the Cross a potent remedy for this tension Utilising this insight Courey reflects on other faith traditions and provides a counterpoint to the triumphalism that inhibits the development of Pentecostalism in North America and around the world This work comprises of three parts The first is historical charting the antecedents and development of Pentecostal triumphalism The second is an experiment in historical theology seeking basic resonances between Luther and early Pentecostals and examining the Theology of the Cross as a means of probing Pentecostalism The final section is an effort in constructive theology applying the theologia crucis to some of the central aspects of Pentecostalism Affirming the Touch of God Evan B.
