Owen Ward PhD,2015-11-18 Christianity is one of the most popular subjects of

debate in the world today In this book Dr Ward directs the debate to the Bible itself He contends that the core of the biblical revelation of Christ has been overlooked ignored and even dismissed throughout thousands of years of Church history He challenges us to look deeper into the Scripture and discover what it means that Jesus is Christ As many precious gifts come in a small package Christ is identified in the Bible with one small five letter word used in its metaphysical context only four times in only one chapter of the New Testament In the beginning was the Logos and the Logos was with God and the Logos was God and the Logos became flesh and dwelt among us Jn 1 1 14 As Dr Ward demonstrates once we have a grasp of the meaning of this single Word it acts like a secret code unlocking the vision of the Big Picture Grand Design God intended when he inspired John to write his Gospel Unfortunately few Christians today know anything about the Great Conversation of philosophical thought that John adopted at the core of his God Story Dr Ward invites us into our own personal psychological encounter with a here and now renaissance Return to Antiquity joining the Church Fathers who dedicated their lives to the depth of this expansive vision Open your mind to revision and redefine your faith Let the big T Truth transform your mind heal your wounds and open your heart to this wonderful heritage at the root of the great Christian tradition From Glory to Glory

Stormy Weather Natalie Brown Rudd, 2015-02-23 Storm clouds looming above Feeling overwhelmed by the crisis you are experiencing Where can we turn for help when dark storm clouds are hovering above threatening to turn our world upside down Do we retreat and hide from the world Or is there another option Stormy Weather suggests that we retreat to the word of God where we are assured that God is our refuge and a present help in times of troubles Stormy Weather is a guide to help you weather the storms of life Whether it is a storm threatening your finances your marriage your job health or your relationships no matter what kind of storm you are facing Stormy Weather will help you to embrace the crisis and rise above the threatening waves that are trying to overtake you Whether you are in a storm or fresh out of one you will be reminded that God promises to be with us through it all Stormy Weather has become a part of my morning worship Although it sounds strange to imply that the storms of life are welcomed as Rudd compellingly reveals the truth is that they're necessary and guaranteed so I am learning to embrace by faith I love the combination of personal testimony Scripture songs and powerful declarative statements captured in this guidebook This is an inspiring testimony of the power of revealing vulnerability and an excellent tool for ushering in the spirit of the Lord Danielle Price Teach Director Antioch Baptist Church
