Cook, James Tatum, 2024-05-31 Constraints on freedom education and individual dignity have always been fundamental in determining who is able to write when and where Considering the singular experience of the African American writer William W Cook and James Tatum here argue that African American literature did not develop apart from canonical Western literary traditions but instead grew out of those literatures even as it adapted and transformed the cultural traditions and religions of Africa and the African diaspora along the way Tracing the interaction between African American writers and the literatures of ancient Greece and Rome from the time of slavery and its aftermath to the civil rights era and on into the present the authors offer a sustained and lively discussion of the life and work of Phillis Wheatley Frederick Douglass Ralph Ellison and Rita Dove among other highly acclaimed poets novelists and scholars Assembling this brilliant and diverse group of African American writers at a moment when our understanding of classical literature is ripe for change the authors paint an unforgettable portrait of our own reception of classic writing especially as it was inflected by American racial politics     **Queens of Comedy** Susan Horowitz, 2012-10-12 Through candid personal interviews with Lucille Ball Carol Burnett and other visionary performers Queens of Comedy explores how comediennes have redefined the roles of women in not only the entertainment business but society as a whole Detailing both their public and private lives as well as their many and varied performances Queen of Comedy examines the impact these women have had on the predominantly male oriented world of comedy Performers like Carol Burnett Joan Rivers and their more recent counterparts comediennes Brett Butler and Roseanne have helped to sift women s roles in comedy from object to subject This book maps out this shift providing an often brutally honest picture of women s lives in both the spotlight of comedy and this modern world     *The Mother of All Laughter* Terry Lindvall, 2003-09-01 When the superannuated biblical Sarah learned that she would give birth to a son she burst out laughing and that son s name Isaac was forever a testimony to this moment of holy mirth In *The Mother of All Laughter* Sarah the Genesis of Comedy Terry Lindvall argues that there is a biblical place for laughter At times he lets truth be obscured by a good story as when he cites the famous Neil Armstrong Mr Gorsky urban legend as fact but he raises important points about humor for Christians     The Complete Poetical Works of Oliver Wendell Holmes Oliver Wendell Holmes, 1895 A collection of poetry by the author     **Truth**, 1905     *The Chief American Poets* Curtis Hidden Page, 1905     Fun for the Million, Or, The Laughing Philosopher, 1835     *The Routledge Drama Anthology and Sourcebook* Maggie B.
