## Th White A Biography:

T. H. White; a Biography Sylvia Townsend Warner, 1968 Personal story of the English man of letters      Letters to a Friend Terence Hanbury White, 1982      T.H. White's The Once and Future King Elisabeth Brewer, 1993 Malory's chivalric virtues are rejected in favour of White's own 20th century values the love affair of Lancelot and Guenever is interpreted in terms of modern psychology      T.H. White's Troubled Heart Kurth Sprague, 2007 An analysis of women in The Once and Future King The contexts for the The Once and Future King are here expertly analysed through the lenses of previously unpublished materials and drawings from the Ransom Center by the late novelist and poet Kurth Sprague The author concentrates on White's misogyny as a result of his reaction to his difficult mother Constance but he equally focuses on the charm of White's other queen Guenevere Nothing had more impact on White than his mother his dogs and his friendships though his readings in the history of chivalry are very deep and this book enables us to see the development of White's monumental and symphonic work      *A study guide for T. H. White's "The Once and Future King"* Gale, Cengage Learning, 2015-09-24 A study guide for T H White's The Once and Future King excerpted from Gale's acclaimed Novels for Students series This concise study guide includes plot summary character analysis author biography study questions historical context suggestions for further reading and much more For any literature project trust Novels for Students for all of your research needs      The Goshawk T.H. White, 2007-10-02 This account of one man's tempestuous relationship with the hawk he trained is at once a comedy of errors a classic of nature writing and one of the best glimpses into the world of falconry The predecessor to Helen Macdonald's H is for Hawk T H White's nature writing classic The Goshawk asks the age old question what is it that binds human beings to other animals White the author of The Once and Future King and Mistress Masham's Repose was a young writer who found himself rifling through old handbooks of falconry A particular sentence the bird reverted to a feral state seized his imagination and he immediately wrote to Germany to acquire a young goshawk Gos as White named the bird was ferocious and free and White had no idea how to break him in beyond the ancient of depriving him of sleep Slowly man and bird entered a state of delirium and intoxication of attraction and repulsion that looks very much like love White kept a daybook describing his volatile relationship with Gos at once a tale of obsession a comedy of errors and a hymn to the hawk It was this that became The Goshawk one of modern literature's most memorable and surprising encounters with the wilderness as it exists both within us and without      Biography and the Critical Reception of T.H. White's the Once and Future King Angela Lindley, 1989      **Critical Essays on T.H. White, English Writer, 1906-1964** Gill Davies, David Malcolm, John Simons, 2008 A timely reconsideration of the author of 771e Once and Future King whose work is still deserving of serious critical attention      **T.H. White** François Gallix, 1986      Ireland, Revolution, and the English Modernist Imagination Eve Patten, 2022-06-23 This book asks how English authors of the early to mid twentieth century responded to the nationalist revolution in neighbouring Ireland in their work and explores this response as an

expression of anxieties about and aspirations within England itself Drawing predominantly on novels of this period but also on letters travelogues literary criticism and memoir it illustrates how Irish affairs provided a marginal but pervasive point of reference for a wide range of canonical authors in England including Wyndham Lewis Virginia Woolf D H Lawrence Graham Greene and Evelyn Waugh and also for many lesser known figures such as Ethel Mannin George Thomson and T H White The book surveys these and other incidental writers within the broad framework of literary modernism an arc seen to run in temporal parallel to Ireland's revolutionary trajectory from rebellion to independence In this context it addresses two distinct aspects of the Irish English relationship as it features in the literature of the time first the uneasy recognition of a fundamental similarity between the two countries in terms of their potential for violent revolutionary instability and second the proleptic engagement of Irish events to prefigure imaginatively the potential course of England's evolution from the Armistice to the Second World War Tracing these effects this book offers a topical renegotiation of the connections between Irish and English literary culture nationalism and political ideology together with a new perspective on the Irish sources engaged by English literary modernism

*The Undergraduate's Companion to Children's Writers and Their Web Sites* Jennifer Stevens, 2004-11-30 This volume one in the Undergraduate Companion series focuses on American and British writers for children and young adults and is addressed to students in both English and Education classes It provides both print and free online sources Most undergraduates do not possess the research skills necessary to evaluate Web sites This volume will address their needs by providing pathfinders to works by about and related to key writers of children's and young adult fiction Included are entries for 185 British and American writers and writing teams most from the 20th century Young adult and adult Grades 9 and up

*Camelot and the Cultural Revolution* James Piereson, 2013-10-14 James Piereson examines the bizarre aftermath of John F Kennedy's assassination Why in the years after the assassination did the American Left become preoccupied with conspiratorial thinking How and why was Kennedy transformed in death into a liberal icon and a martyr for civil rights In what way was the assassination linked to the collapse of mid century liberalism a doctrine which until 1963 was the reigning philosophy of the nation

**Bad Fathers, Wicked Stepmothers, Cannibalistic Witches, and Amorous Princes** Robert White, 2025-03-10 Psychoanalysis has been interested in fairy tales and myths from the very beginning In the interpretation of dreams Freud felt he had found the royal road to the unconscious and that he could find in myths and fairy tales the same eternal truths about the unconscious The myth of Oedipus could be considered the founding myth of psychoanalysis Freud soon turned to the study of fairy tales which he thought in conjunction with German romanticism could be equated with primary process and the unconscious The fairy tale was equated with the dream This was a golden age of interest in fairy tales among the earlier Freudians In addition Freud formed an alliance with Jung who had an independent interest in myth Jung maintained the centrality of inherited psychic structures which he called archetypes Consequently the Jungians have remained much more interested in myth and fairy tale than the Freudians While fairy tales

have remained popular in current culture in fictional retellings movies cartoons and opera there has been no modern extended psychoanalytic interpretation of fairy tales Psychoanalytic theory has broadened considerably in the last decades to include ideas about gender sexuality race social conflict and disorganized personality than the traditional Freudian focus on Oedipal development This new book aims to add meaning that captures the deeper traumatic nature of human life The author examines the multiple variations of myths and tales both within a nationality and across nationalities The literary version that has become canon was the one version of the tale that was written down By looking at the variations we can get a better sense of the multiple meanings possible The other road to meaning is modern rewriting of the tales which when well done adds to new layers to the tales The book also looks at examples of fantasy a more modern novelistic treatment of fairy tale themes

**Life-Writing, Genre and Criticism in the Texts of Sylvia Townsend Warner and Valentine Ackland** Ailsa Granne, 2020-05-27 Sylvia Townsend Warner has increasingly become recognized as a significant and distinctive talent amongst twentieth century authors This volume explores her remarkable relationship with Valentine Ackland her partner for forty years by closely examining their letters and diaries alongside a selection of their other texts in particular their poetry This analysis reveals the crucial role their writing played in establishing maintaining and defending their intimacy and describes the emergence of an alternative textual world upon which they became wholly reliant Examining how Warner and Ackland exploited the distance between their lived life and their accounts of it gives rise to many fascinating and untold stories Furthermore in investigating the fluidity of the boundaries between letters diaries and fiction this book also provides a fresh perspective on these life writing forms Warner and Ackland's need to speak as women writers and lovers shaped their texts so that they became not simply records of events nor acts of communication but complex documents in which love is won and lost myths are created and lives are changed as will be the perspectives of those who read this book

[The Passion Projects](#) Melanie Micir, 2024-06-04 Examines the biographical projects that modernist women writers undertook to resist the exclusion of their friends colleagues lovers and companions from literary history

*Secreted Desires* Michael Matthew Kaylor, 2006

**The Interpretation of Samuel Johnson** J. Clark, H. Erskine-Hill, 2012-06-12 A major academic controversy has raged in recent years over the analysis of the political and religious commitments of Samuel Johnson the most commanding of the commanding heights of eighteenth century English letters This book one of a trilogy from Palgrave brings that debate to a decisive conclusion retrieving the historic Johnson

**The Haunted Wood** Sam Leith, 2024-09-05 A Sunday Times Irish Times Financial Times Independent Daily Mail TLS Economist Prospect Evening Standard and New Statesman Book of the Year 2024 Can you remember the first time you fell in love with a book The stories we read as children matter The best ones are indelible in our memories reaching far beyond our childhoods they are a window into our deepest hopes joys and anxieties They reveal our past collective and individual remembered and imagined and invite us to dream up different futures In a pioneering history of the children's literary canon The Haunted Wood reveals the magic of childhood

reading from the ancient tales of Aesop through the Victorian and Edwardian golden age to new classics Excavating the complex lives of our most beloved writers Sam Leith offers a humane portrait of a genre and celebrates the power of books to inspire and console entire generations A MARVEL PHILIP PULLMAN A DELIGHT JULIA DONALDSON GLORIOUSLY ENTERTAINING TOM HOLLAND      **The Disney Middle Ages** T. Pugh, S. Aronstein, 2012-12-10 For many the middle ages depicted in Walt Disney movies have come to figure as the middle ages forming the earliest visions of the medieval past for much of the contemporary Western and increasingly Eastern imagination The essayists of *The Disney Middle Ages* explore Disney's mediation and re-creation of a fairy tale and fantasy past not to lament its exploitation of the middle ages for corporate ends but to examine how and why these medieval visions prove so readily adaptable to themed entertainments many centuries after their creation What results is a scrupulous and comprehensive examination of the intersection between the products of the Disney Corporation and popular culture's fascination with the middle ages      *Politically Incorrect Guide to Science Fiction and Fantasy* D. J. Butler, 2025-04-15 A guide to the most illuminating literature of the modern world Science fiction and fantasy comprise some of the great works of the human imagination and some of the most abhorrent This is your *Politically Incorrect Guide* to a literary tradition that is a key to understanding the modern world Before men knew how to write they were telling each other stories of gods and monsters But science fiction and fantasy are not escapist literatures and they never have been Science fiction grapples with the great questions of technology and human society Fantasy grapples with the great questions of the human spirit A reader who can find his way to the enduring classics of these genres will be immeasurably enriched In this book you'll learn about futurists and dreamers such as Ray Bradbury and J. R. R. Tolkien master storytellers such as Orson Scott Card and Isaac Asimov troubled scribes such as J. K. Rowling and George R. R. Martin and failed visionaries preaching a dysfunctional anti-human future such as Ursula LeGuin and her covens of woke disciples infesting the literature of the imagination The *Politically Incorrect Guide to Science Fiction and Fantasy* is a gazetteer to futures filled with big dreams and innovation imparting a healthy sense of wonder and mapping those dangerous regions filled with dragons waiting to consume with fire the careless uninformed and prideful All is chaos yet nothing is new This is the perfect moment to give guidance to readers and to new practitioners alike
