The Hutterites In North America

Barry Shenker

The Hutterites In North America:

The Hutterites in North America Rod Janzen, Max Stanton, 2010-07-18 One of the longest lived communal societies in North America the Hutterites have developed multifaceted communitarian perspectives on everything from conflict resolution and decision making practices to standards of living and care for the elderly This compellingly written book offers a glimpse into the complex and varied lives of the nearly 500 North American Hutterite communities North American Hutterites today number around 50 000 and have common roots with and beliefs akin to the Amish and other Old Order Christians This historical analysis and anthropological investigation draws on existing research primary sources and over 25 years of the authors interaction with Hutterite communities to recount the group s physical and spiritual journey from its 16th century founding in Eastern Europe and its near disappearance in Transylvania in the 1760s to its late 19th century transplantation to North America and into the modern era It explains how the Hutterites found creative ways to manage social and economic changes over more than five centuries while holding to the principles and cultural values embedded in their faith Religious scholars anthropologists and historians of America and the Anabaptist faiths will find this objective yet appreciative account of the Hutterites distinct North American culture to be a valuable and fascinating study both of the religion and of a viable alternative to modern day capitalism

The Hutterites in North America John Andrew Hostetler, Gertrude Enders Huntington, 1967 [A Geography of the Hutterites in North America](#) Simon M. Evans, 2021-10 A Geography of the Hutterites in North America explores the geographical diffusion of the Hutterite colonies from the bridgehead of Dakota Territory in 1874 to the present distribution across North America Looking further than just maps of location this book analyzes the relationship between parent and daughter colonies as the Hutterite population continues to grow and examines the role of cultural and demographic forces in determining the diffusion process Throughout this geographical analysis Simon M Evans pays due attention to the Hutterites contribution to the cultural landscape of the Canadian Prairies and the American Great Plains as well as the interactions that the Hutterites have with the land including their agricultural success With over forty years of research and personal interactions with more than a hundred Hutterite colonies Evans offers a unique insight into the significant role that the Hutterites have in North America both currently and historically This study goes beyond the history life and culture of this communal brotherhood to present a new geographical analysis that reports on current and ongoing research within the field The first narrative to be published regarding Hutterites in nearly a decade A Geography of the Hutterites in North America is a valuable resource for scholars and students alike

A Geography of the Hutterites in North America Simon M. Evans, 2021-10 Simon M Evans analyzes the German speaking Anabaptist community focusing on their history of expansion their patterns of population growth the additions they make to the cultural landscape of the northern plains and their contributions to the agricultural and light manufacturing economies of their home states and provinces

The Hutterites in North America John Andrew Hostetler, Gertrude

Enders Huntington,1967 **The Sociology of Canadian Mennonites, Hutterites and Amish** Donovan E. Smucker,2010-10-30 The editor provides an important new scholarly tool for locating and understanding the enormous expansion of scholarly research dealing with the sociology of Canadian Mennonites Hutterites and Amish Although the book includes research from American scholars the editor devotes special attention to Canadian works concerning these important and interesting minorities Using the tripartite division of Mennonites Hutterites and Amish the bibliography includes 800 entries each with a concise summary and evaluation The entries are listed under the subheadings books theses articles and unpublished manuscripts Preceding the bibliography itself is an essay by the editor originally presented to the Canadian Sociology and Anthropology Association The essay outlines the differing conceptual assumptions of the researchers included in the book the major methodologies employed and the main conclusions to be drawn from their work **Hutterite Society**

John A. Hostetler,1997-06-23 and their strategies for survival *American Historical Review* Encyclopedia of North American Immigration John Powell,2009 Presents an illustrated A Z reference containing more than 300 entries related to immigration to North America including people places legislation and more *The Dynamics of Hutterite Society* Karl A. Peter,1987 In this book Karl A Peter perceives the Hutterites as an ongoing sociocultural entity constantly adapting to environmental political and social circumstances rather than as a static society *America's Communal Utopias* Donald E. Pitzer,2010-01-20 From the Shakers to the Branch Davidians America's communal utopians have captured the popular imagination Seventeen original essays here demonstrate the relevance of such groups to the mainstream of American social religious and economic life The contributors examine the beliefs and practices of the most prominent utopian communities founded before 1965 including the long overlooked Catholic monastic communities and Jewish agricultural colonies Also featured are the Ephrata Baptists Moravians Shakers Harmonists Hutterites Inspirationists of Amana Mormons Owenites Fourierists Icarians Janssonists Theosophists Cyrus Teed's Koreshans and Father Divine's Peace Mission Based on a new conceptual framework known as developmental communalism the book examines these utopian movements throughout the course of their development before during and after their communal period Each chapter includes a brief chronology giving basic information about the group discussed An appendix presents the most complete list of American utopian communities ever published The contributors are Jonathan G Andelson Karl J R Arndt Pearl W Bartelt Priscilla J Brewer Donald F Durnbaugh Lawrence Foster Carl J Guarneri Robert V Hine Gertrude E Huntington James E Landing Dean L May Lawrence J McCrank J Gordon Melton Donald E Pitzer Robert P Sutton Jon Wagner and Robert S Weisbrot The Palgrave Companion to North American Utopias J. Friesen,2016-02-25 The Palgrave Companion to North American Utopias is a fascinating virtual catalogue of utopian societies and communes from past to present The authors assert that the formation of a utopian society is both possible and feasible and give examples of how to create one of our own **Concise Encyclopedia of Amish, Brethren, Hutterites, and Mennonites** Donald B. Kraybill,2010-11-01 Donald B Kraybill has spent his career among

Anabaptist groups gaining an unparalleled understanding of these traditionally private people Kraybill shares that deep knowledge in this succinct overview of the beliefs and cultural practices of Amish Brethren Hutterites and Mennonites in North America Found throughout Canada Central America Mexico and the United States these religious communities include more than 200 different groups with 800 000 members in 17 countries Through 340 short entries Kraybill offers readers information on a wide range of topics related to religious views and social practices With thoughtful consideration of how these diverse communities are related this compact reference provides a brief and accurate synopsis of these groups in the twenty first century No other single volume provides such a broad overview of Amish Brethren Hutterites and Mennonites in North America Organized for ease of searching with a list of entries a topic finder an index of names and ample cross references the volume also includes abundant resources for accessing additional information Wide in scope succinct in content and with directional markers along the way the Concise Encyclopedia of Amish Brethren Hutterites and Mennonites is a must have reference for anyone interested in Anabaptist groups *History of the Hutterite Mennonites* Arnold
